"It is good, tell us about it."
"It is very ample. Just go to bed and take the most comfortable position for alceping. Then alowly open and clear your eyes. If, after forty winks, you are not assessed the try forty more. The great difficulty with victims of in some is in that they almost always fall to thinking of the events of the says: "Mr. Matheson has done his persistent counting, but that is it—
self a mental effort and wakes one
n. Not so, borroad with the counting of the way, of deep and varied the Celtic MacConaill—son of Connact which the counting of the way, of deep and varied the Celtic MacConaill—son of Connact which the counting of the counting of the counting of the celtic MacConaill—son of Connact which counting the celtic MacConaill—son of Connact which could be connact which ip. Not so, however, with winking. I defy any of you to think of anything else while you are engaged in this simple exercise."— Utics

The poor tailor was in despair He fically decided, all other efforts

ment anyway. He succeeded in in-ducing a number of friends to witlucing a number of friends to wit-ness the test, and some three weeks hibits in tabulated form the princiness the test, and some three weeks ago it was made. First of all, a number of bullets were fired from rifles at a block of oak, and they penetrafed the wood easily and several block was deeply. Then the oak block was covered with some of the block was proof cloth, and several bullets fired into it. Some of the bullets fired into it. Some of the bullets glanced of the cloth and others stuck fast in are some surprises in the list. For MacDarmotts, etc. off the cloth and others stuck fast in are some surprises in the list. For instance, one would hardly expect even marked. Then Dowe donned to find but 8,600 persons bearing a cuirass made of the cloth, and one the name of "Hogan" in this coun-of his friends fired point blank at try, while "Wilson" is ascribed to

other divisions of the kingdom.
In the continue was covered with a blanket of builets peppered against his sides. The horse looked up with surprise as the builets struck the blanket, but as soon as the firing stopped he calmly went on munching hay. A few days ago Herr Dowe's reward came and he was invited to show his invention to a committee of military experts representing the government. The committee was made of the invision of the kingdom on account of that journal's illiberal that though the name "Marphy is the most numerous in the country at large, it does not occupy the horse looked up with surprise as the builets struck the blanket, but as soon as the firing stopped he calmly went on munching hay. A few days ago Herr Dowe's reward came and he was invited to show his invention to a committee of military experts representing the government. The committee was made of the kingdom.

Thus "Smith" is fifth in Ireland and that though the name "Marphy is the most numerous in the country at large, it does not occupy the administry in England; "Wilson" is twention to a rounting hay. A few days ago Herr Dowe's reward came and he went in England and eighth in Scotland; "Clark" (or "Glarke") is thirty-first in Ireland and seventh in Scotland; "Clark" (or "Glarke") is thirty-first in Ireland and seventh in Scotland; "Clark" (or "Glarke") is thirty-second in Ireland, aliath (laking both spell-inge) in England and eighteenth in Scotland; "Hughes" appears thirty-third in Ireland sixtenth in Scotland; "Hughes" appears the surprise and the though the name "Marphy is the most numerous in the country at large, it does not occupy the administry the general states that one hundred and thirty-nine members of that be did that the novelist has not manifely and the simple of wentrees and up to the control of the Centre party are newertheless a unit in demanding the winds rather though the name "The report oncludes with a large, it does not occupy the administry the general state that once the many of the country and the timough th But he declared he felt no incon-other divisions of the kingdom. counties, from which it appears the presence of the Holy Ghost.
