Molassine Meal

FOR SHEEP AND LAMBS.

Makes young lambs very soon ready for market or grow into sheep.

All young stock develops rapidly by its use and makes rich-flavoured meat which commands the best prices.

Molassine Meal keeps all stock in perfect health, owing to its antiseptic and digestive properties.

It prevents and eradicates worms in the stomach, also Husk or Hoose.

Invaluable for lambing ewes, reducing to a minimum the danger of losing lambs.

FEEDING DIRECTIONS:

LAMBS—Begin by giving about a tablespoonful per day in place of the same amount of the usual food, gradually increasing and mixing thoroughly therewith.

SHEEP—Substitute 1 1/2 lbs. of Molassine Meal per day for the same quantity of the usual food and mix thoroughly therewith.

REID NEWFOUNDLAND COMPANY.
