## Big Contest To-Night at Rossley's.

Those who attend the Rossley Theatre to-night are assured of a first-class entertainment, for it is a double show—the pantomime of Bo-Peep and Boy Blue—which is worth ten times the price of admission; it is beautiful in every detail. The many dainty numbers performed by the Sunshine Girls were all applauded. Mr. and Mrs. Ballard Brown wish to see all their friends before leaving, and if Mr. Rossley's next company are as successful as those talented artists, it will be a good thing. The contest to-night will be a big affair. Lots of new competitors. Send the children to the matinee Saturday to have the treat of their lives. Miss Madge Locke is a big favorite with the children, and as Boy Blue is most captivating. Be on time to-night for the treat of the season.
