Public Notice!

Asylum for the Insane.
Notice is hereby given that the patients for this Institution must not be sent from the out-ports to St. John's, or from the City to the Asylum, without first communicating with the Superintendent and receiving word that they can be admitted. This has always been the rule, but at the present time, owing to extensive building operations and lack of accommodation for patients at the Asylum, the most strict attention to this rule is more than ever necessary. By order,
