A SONG!

That is what the average "talking machine" is sold for when auctioned these days. Not so the NEW EDISON, as was proved at a recent auction sale in St. John's. If you wish to learn the reason, call at 178 Water Street and hear the difference between one of America's best and most advertised talking machines and a NEW EDISON. The Phonograph with a Soul. It pays to get the Best.
