GOOD EVENING!

FISHERMEN OF NEWFOUNDLAND!

Motor Boats:—The first motor boat was shown at the Paris Exhibition of 1889, being fitted with the petrol motor invented by Daimler. The Fishery Board of Scotland is demonstrating the value of the motor boat to the fishing industry; the National Lifeboat Institution is experimenting with various types of motors in connection with its boats. At the exhibitions in London and Paris in 1905 and right on to the present time, fishermen in Scotland and Newfoundland continue to give evidence of the popularity of the motor boat for fishing purposes.

Like the motor power of a fisherman's boat THE GRAND COLISEUM is fast becoming a power appreciated among the buying public for all kinds of Hosiery, Gloves and Lovely Sweaters, Workingsmen, Fishermen and all classes of the public are cordially invited to give us a call.

CROSS & CO. THE GRAND COLISEUM

180 DUCKWORTH STREET.

OPEN EVERY NIGHT—9 O'CLOCK. SATURDAY—10.30.

ADVERTISE IN THE EVENING TELEGRAM.

WHAT DO YOU WANT?

\$10.00 a week, or \$12.50, or \$15.00 or more—just whatever amount you need, we will pay you, every week you are ill or injured, commencing the first day of disability and only finishing when you are completely cured.

The cost is so little that any one week of disability pays you back all that you pay in for six months. For example, \$25.00 per week only costs \$25.00 for six months and carries \$5,000 of principal sum.

Right Now, while you are well and uninjured why not ask us to completely protect you?

We have been paying claims for 36 years.
U.S. FIDELITY & GUARANTY COY.
J. J. LACEY, Nfld. GENERAL AGENT.

An Interesting Fact.

An honest and thorough test was made in Canada to prove that RAMSAY'S PINNACLE WHITE was superior to Pure White Lead.

A mixture of 100 lbs. of RAMSAY'S PINNACLE WHITE and 5 gallons of Boiled Linseed Oil was matched against a mixture of 100 lbs. of Pure White Lead and 4 gallons Boiled Linseed Oil.

NOTE:—RAMSAY'S PINNACLE WHITE stood 1 gallon more Linseed Oil, therefore more economical for painting.

A wood surface was painted with a heavy black line in the centre, then two coats of RAMSAY'S PINNACLE WHITE was applied, the black line was completely hidden.

A like wood surface and black line was covered with four coats of the Pure White Lead, and the black line was still noticeable.

NOTE:—RAMSAY'S PINNACLE WHITE only took two coats to hide the black line, the same amount of paint in each case was used.

THE RESULT:—RAMSAY'S PINNACLE WHITE is superior to Pure White Lead because it takes 25 p.c. more oil and spreads with a greater hiding power a much larger surface, it stays white much longer.

There is nothing better made for painting Churches, Schools, Houses, etc.
