LONDON . CANADA:

God's in His heaven, All's right with the world. -Browning.

London, Tuesday, Oct. 19, 1897. Shall There Be Compulsory Military Service in Britain?

There will be much comment in Great Britain on the recent speech authority. He asserted that for the as testimony to a similar record. safety of the nation it was necessary to increase both the army and the navy, as had been maintained by Lord Wolseley and the Duke of Cambridge, the present and past commander-inchief of the British forces. Sir Robert even went the length of asserting that

as is hinted by the British newspapers that Liberal principles would best adtoday, a mild threat to Parliament vance the interests of their country, the local board must be submitted to that the additional expenditures will have become identified with and warm- the mayor for his approval. Presidents be forced through, remains to be seen. ly support the Liberal Administration. are to be chosen by the electors of The militia is now an important force The change is especially evident among in Great Britain.
