SPORTING NEWS

BASEBALL.

St. Louis, April 4.—It was no matter of wonderment that St. Louis won the third game from Rochester by 21 to 1, and that one a gift. The Eastern League fielders were stiff as a board. Clarke was the only man of the nine who could pick up a ball. Lush and Campan allowed pop flies to evade them in the most ridiculous fashion. So it was a good deal of a run-around for Thebeau's well-conditioned athletes. Donovan did some tremendously wicked and effective hitting. He laced the ball outside hard and stylishly, turning out a home run and three singles.

The only good hit Rochester secured was a single off Sudhoff by Greninger, which took a bad bound past Burkett for a triple. The score: St. Louis.....3 2 6 3 1 1 2 3—21 Rochester.....0 1 0 0 0 0 0 0—1

FLYS.

Editor E. C. Kramer, of the Greenburg Press, has refused a salary of \$300 per month from the Boston club. Kramer, who is the son of a Presbyterian minister, is one of the best players in the minor leagues, and is a prototype of the famous George Miller. Mr. Kramer said recently "that he was satisfied with his present position, although his salary was only \$75 per month."

The Atlantic League's season opens April 25, with the following clubs in line: Wilmington, Newark, Philadelphia, Reading, Allentown, Wilkes-Barre, Scranton and Elmira. Among the managers are: Matt Kilroy, Wilmington; John Irwin, Newark; Dick Harley, Philadelphia; William Sharshig, Allentown; William Clymer, Wilkes-Barre, and W. C. Smith, Scranton.

Those who have used Laxa-Liver Pills say they have no equal for relieving and curing Constipation, Sick Headache, Biliousness, Dyspepsia, Costed Tongue, Foul Breath, Heart Burn, Water Brash or any disease or disorder of the stomach, liver or bowels.

Mrs. George Williams, Fairfield Plains, Ont., writes as follows: "As there are so many other medicines offered for sale in substitution for Laxa-Liver Pills I am particular to get the genuine, as they far surpass anything else for regulating the bowels and correcting stomach disorders."

Laxa-Liver Pills are purely vegetable; neither gripe, weaken nor sicken, are easy to take and prompt to act.

SPORTING NOTES.
The United States Intercollegiate cricket team will tour Canada in June. Frank McGehee, one of the family of Ottawa athletes, met with a severe injury to his eye in a hockey match last week, and may have to retire from sports entirely.

The opening cricket game of the English season will be played on Easter Monday at the oval, between Surrey and London county teams.

CAN'T BE DISPROVED

London People Are Face to Face With Facts.

When a resident of this city comes forward and makes a public statement, unhesitatingly indorsing the workings of "The Little Conqueror," no better proof can be given.

The timid and doubtful, the scoffer and the skeptic are brought face to face with facts which cannot be disproved. The testimony of friends and neighbors, cheerfully given by them and told here in their own words, is the positive evidence of merit that backs every box of Doan's Kidney Pills.

Read the history of this case: Mrs. Deven, a middle-aged lady living at No. 54 Cartwright street gave the following statement to our representative: "I have had kidney disease off and on for a number of years past. At times I would have great weakness in my back, accompanied by pain between my shoulders."

No remedies I took seemed to be of much benefit to me. At last I started using Doan's Kidney Pills and I have no hesitancy in saying that they did all that is claimed for them. They strengthened my back, took away the pain, and started my kidneys acting naturally."

If others who are afflicted with kidney trouble would only take Doan's Kidney Pills in the order that is claimed they would be saved many dollars and a great deal of needless suffering."

Doan's Kidney Pills are the best remedy in the world for the cure of backache, weak or sore back, Bright's disease, diabetes, dropsy, mist before the eyes, impaired memory, gravel, rheumatism, frequent risings at night, weakness of the kidneys in children and old people, etc. etc. etc. The name Doan's, and refuse all others. The Doan Kidney Pill Co., Toronto, Ont.

Dan Thody, St. Thomas, has purchased from A. G. Bowler, Woodstock, the English hackney stallion Copels Nelson, for \$600.

FAGGED OUT.—None but those who have become fagged out know what a depressed, miserable feeling it is. All strength has gone, and despondency has taken hold of the sufferers. They feel as though there was nothing to live for. There, however, is a cure—one box of Parnelee's Vegetable Pills will do wonders in restoring health and strength. Mandrake and Dandelion are two of the articles entering into the composition of Parnelee's Vegetable Pills.

A concise and complete history of the formation of Strathcona's Horse is given in the April Canadian Magazine by Lieut. Cooper, C. O. R. One of the features of the article is a complete list of the officers, with their previous service. There are pictures of Lord Strathcona, the review at Ottawa, Sir Wilfrid Laurier addressing the corps, the parade at Montreal, a group of the western horses, the Monkeys, and a magnificent group of 24 officers.

THERE is not a more dangerous class of disorders than those which affect the breathing organs. Nullify this danger with Dr. Thomas' Electric Oil—a pulmonary of acknowledged efficacy. It cures soreness and lameness when applied externally, as well as swollen neck and croup in the back, and as an inward specific, possesses most substantial results.

From Near-By Places.

Neil Love, sen., of Westminster, died suddenly Wednesday morning. For many years Mr. Love had been a sufferer from asthma. The death of his mother and himself removes two of the pioneers of Westminster, and the doubly sad event has come upon the family and their many friends with awful suddenness. Mr. Love was in his 61st year, and his mother, Mrs. John Love, who died the day previous, was in her 97th year. Both the mother and son were members of South Delaware Presbyterian Church. Mr. Love leaves a wife and one daughter, Mrs. C. Poole, of Strathburne, and five sons—John C. Neal A., James, William and Peter, at home. The funeral service of Mr. Love and his mother will be conducted at their late residence on Friday, after which the internment will take place at St. Thomas cemetery.

BIRE.

Birr, April 5.—The death occurred very suddenly on Friday morning of Mr. George Dann, an old and respected resident of this place. Mr. Dann went to bed in his usual health Thursday evening, but was suddenly taken ill in the night, and died before medical aid could reach him. The funeral, which took place from his late residence at 2 o'clock Sunday afternoon, to the Baptist cemetery on con. 10, was very largely attended.

John McMehean and his sister, Miss Minnie, spent Saturday evening and Sunday in Lucan.

Miss Rheta Campbell, of Newbury, is visiting friends in this vicinity.

Mr. J. White visited his brother, Mr. R. White, of this place, this week. Miss Nell and Miss Laura Abbott, of Biddulph, are visiting at Mr. George Patrick's.

The Methodist Church was closed on Sunday on account of the funeral of the late Mr. Dann.

JUSTIFIABLE CURIOSITY.

G. R. Glenn, superintendent of public instruction of the State of Georgia, one day explained the powers of the X-ray machine to a gathering of darkies at the school commencement. After the meeting was over a negro called him aside and wanted to know if he was in earnest about the machine. Mr. Glenn assured him that he was. "Boss, I wants ter ax you ef er nigger et chicken kin you look in him an' see chicken?" "Why, yes, Ephraim," said Mr. Glenn. "Well, boss, I wants ter ax you one mo' question. Kin you look in dat nigger an' tell whar dat chicken come from?"—Argonaut.

ABBEY'S MEDICAL TALKS

The Prevention of Disease.

Disease is a perverted action of some part or organ of the body or a poisoning of the system by the introduction into the blood, from without, of some specific poison or disease germs. When all functions are properly performed, no poison can enter the system and no disturbance of any kind can take place.

Abbey's Effervescent Salt, by keeping the action of the stomach, liver and bowels in a normal condition, and by eliminating all poisonous material from the blood, insures perfectly healthy nutrition for every part of the body, and thus prevents the development of any form of disease. Therefore we confidently assert that a teaspoonful of Abbey's Effervescent Salt taken every morning in a glass of water will insure perfect health and prevent disease.
