CELEBRATION

Sir Charles Tupper Addresses an Immense Orowd and Is Given s Hearty Reception-A Non-Partisan Gathering.

Parkhill, Ont., May 24.—The great patriotic celebration held here today was attended by fully 10,000 visitors, and the general opinion tonight is that never in the history of the town has there been such a successful celebra-tion. The event of the day was the enthusiastic reception of Sir Charles Tup-per, the veteran leader of the Conservative party of the Dominion. It was non-partisan, and the splendid patri-otic address was delivered to an immense crowd gathered in Agricultural Park this afternoon by Sir Charles.

A procession, consisting of floats, representing the trades and industries, civic officials, and over 1,000 children from the schools in town and country, opened the day's proceedings. This was at 10 o'clock, and after the parade the children marched to the High school, where they listened to patriotic addresses and sang national songs. Later the town council entertained the young-sters at luncheon, and a jolly time they had.

Another procession was formed short-ly before 2 o'clock, headed by carriages ly before 2 o'clock, headed by carriages containing the reception committee, Sir Charles Tupper, V. Ratz, M.P.; W. H. Taylor, M.P., and others. A large crowd had already gathered in the park, and when Sir Charles arrived have given an avertion he was given an ovation. Rev. Mr. Aylward, Presbyterian min-

ister, and a Liberal in politics, occupied the chair, and in opening the speaking he assured Sir Charles that the people of North Middlesex extended to him the heartiest possible welcome and congratulations on having completed his 45th year of public life. Sir Charles Tupper was greeted with loud and prolonged cheering when he rose to speak, and it was renewed when a pretty little white-frocked maiden, Miss Marion Roberts, stepped forward and pinned a bouquet in his coat.

The reply to a cable sent by the mayor of Parkhill to her majesty was received and read by the chairman, as follows:

"To Mayor, Parkhill: "Balmoral, May 24. "The Queen sincerely thanks people

of Ontario for their loyal congratulations and good wishes.—(Signed) A. Bigge." The message was received with rous-ing cheers for her majesty.

The gathering dispersed with cheers An interesting programme of sports followed, consisting of football, lacrosse and baseball matches, and various games.

In the evening a patriotic concert

was given; also a grand display of fireworks. During his stay here, Sir Charles Tupper was the guest of Rev. Mr. Aylward.

St. Louis, May 25.-In an attack on a train of the Park avenue division of the Transit Company, at Compton and Park avenues last night, at 8 ck, several shots were fired by ds, and three persons were guards, and three wounded, one seriously. Two cars, joined together, were sent out to make the trip from the union station to the car shops on Park and Vanderventer avenues. The train reached Park and Compton avenues while a number of street car men were holding a meeting in a cafe at the corner. Hearing the noise of the cars they ran out to the sidewalk and joined the crowd which was watching the approach of the train. A number of boys began to race alongside the cars, jeering at the train reached the corner.
