Govt. Should Shoulder Responsibility For the Niagara Power Scheme

Mr. J.M. McEvoy Speaks of Action | validated. The council may sign the of the City Council Last

The action of the council last night in sending the request of the Niagara as soon as the same 'has received the Power Union to a special committee, assent in accordance with the proviswas viewed with interest by Mr. J. M. McEvoy, who is solicitor for Mr. R. H. Smith, in his action to prevent the city council carrying out the contract entered into.

He points out that the Government should take the onus of the responsibility for the scheme, and not the municipalities. Mr. McEvoy further suggests that in the light of the failure of the Hudson Power Company, which furnished power to Rochester, Syracuse and other cities located western part of Ontario, to force the about the same distance from the hand of the Legislature, or rather by Falls as London, an expert who has such votes to give the Legislature an not had anything to do with the Gov- excuse to attempt some more legisla- \$5 to \$5 25; dairies, \$5 25 to \$6. ernment and its policy should be employed to give his opinion on the laws, and contracts of the hydro-elecscheme. Mr. McEvoy says:

Says Contracts Are Illegal.

"At last the hydro-electric commission has taken a tumble to itself. We ple, by their votes, have indorsed the hydro-electric contracts are illegal, is that the people have never indorsed people contracts which the people, ther legislation, and the city council
