

## EAST LAMBTON LIBERALS CHOOSE SHAUGHNESSY

Convention Chooses Reeve of  
Petrolia As Party  
Candidate.

### THREE-SIDED FIGHT

Rally To Stirring Call of 83-  
Year-Old Liberal  
Worker.

Special to The Advertiser.  
Alvinston, Sept. 25.—East Lambton  
Liberals, at an enthusiastic conven-  
tion held here this afternoon, reached  
a unanimous decision to place a  
candidate in the field in the forth-  
coming federal election and nomi-  
nated E. A. Shaughnessy, reeve of  
Petrolia and a prominent barrister  
of that town, as their candidate.  
Mr. Shaughnessy, who is an over-  
seas man with an enviable record in  
the Canadian engineers, was assured  
the hearty support of all the Lib-  
erals in the riding in what now be-  
comes a three-cornered contest, the  
Conservatives having previously nomi-  
nated J. E. Armstrong and the Pro-  
gressives Burt W. Fansher, present  
member for East Lambton.

**Riding Enlarged.**  
The riding was considerably en-  
larged at the last redistribution and  
this and other factors give assur-  
ance that the Liberals will have a  
good chance. In the election of  
1921 there was no Liberal candi-  
date in the field. Liberal support  
went largely to the Progressive  
candidate, Burt W. Fansher of Flor-  
ence, who defeated J. E. Armstrong  
by a majority of 955.

There was some difference of opin-  
ion at this afternoon's convention as  
to whether or not it would be well  
to support the Progressive nominee,  
Duncan White making a strong plea  
on behalf of those who did not favor  
putting in a candidate. All thought  
of such action was, however, aban-  
doned after James Peat, an 83-year-  
old veteran Liberal of Scottish ad-  
mirable stock, made a vigorous ad-  
dress, urging the nomination of a  
candidate.

"The people of this country were  
fooled in 1911 by the Conservative  
leaders and the big interests," Mr.  
Peat said, "and they were fooled  
again in 1917. I don't believe  
they'll be fooled this time. I believe  
Mr. Meighen will go back in opposi-  
tion, and I sincerely hope that Mr.  
King will go back with a bigger  
majority than he has had if he hopes  
to accomplish anything. I think that  
under all the circumstances, the pres-  
ent government has done nobly and  
well."

**Veteran Leads.**  
Mr. Peat's vigorous fighting speech  
aroused much enthusiasm and the  
decision to place a candidate in the  
field was made unanimous.  
When nominations were called the  
following names were placed before  
the convention: J. Greenizen, Petrolia,  
retiring president of the East

## Elgin Electors To Meet Monday

Special to The Advertiser.  
St. Thomas, Sept. 25.—A joint  
meeting of the electors of Elgin  
West and Elgin East will be held  
on Monday, September 28, in the  
town hall at Springfield. The  
speakers will be Mayor G. H.  
Sloggett, Liberal candidate in El-  
gin West; Dr. F. J. Miller, of Ayl-  
mer; Mr. Newell, Liberal-Progressive  
candidate of Norfolk; and  
East Elgin's Milton Charlton will  
act as chairman.

Lambton Liberal association; Dun-  
can McEachern, Dr. Axford, D. G.  
Sturgis, W. G. Connolly, E. A.  
Shaughnessy, Duncan White, Hector  
Cowan and William Annett. All  
withdrew, with the exception of Mr.  
Shaughnessy and Mr. Sturgis, who  
were not present at the meeting and  
whose wishes in the matter could  
not be ascertained. The former at  
first asked time to consider the mat-  
ter, but before the meeting closed  
gave assurance that he would allow  
his name to stand. His decision was  
received with great enthusiasm.

**Election Executive.**  
Election of the executive resulted  
in the selection as president of the  
association of D. G. Sturgis of Des-  
dren to succeed the retiring pres-  
ident, I. Greenizen. Malcolm McAl-  
pine was appointed first vice-pres-  
ident, and E. A. Shaughnessy second  
vice-president. Mr. R. R. Clark was  
reappointed secretary-treasurer, his  
work in that capacity during the  
past four years being highly com-  
mended. Mr. Greenizen presided in  
capable fashion at the convention.  
A strong committee, representative  
of every district in the riding was  
appointed to assist Mr. Shaughnessy in  
his campaign. The meeting closed  
with three hearty cheers for the  
candidate and for Premier Mackenzie  
King and his government.

## FRENCH ADVANCE ON RIFF CAPITAL

Right Wing Carries Out Suc-  
cessful Operation North-  
east of Kifune.

Associated Press Despatch.  
Fez, Sept. 25.—It is officially an-  
nounced that the right wing of the  
French forces today carried out a  
successful operation to the north-  
east of Kifune and in the general  
direction of Ajdir, Abd-el-Krim's  
capital, occupying positions at Die-  
doun and Djebel Roumoum.  
After three days' fighting, the  
rebels were beaten off by the  
French artillery.

Kifune is about 25 miles south of  
Ajdir, on which the Spaniards at Al-  
houmas Bay are moving from the  
north. The Spaniards were within  
about four miles of Abd-el-Krim's  
capital.

## RIFFIANS TO SMUGGLE DOCTOR THROUGH LINES

Dr. Griffen's adventurous attempt  
has progressed with every success so  
far, according to a telegram received  
by this correspondent today. Dr.  
Griffen reached Tangiers early in the  
week, and met friends who arranged  
to smuggle him through the lines.

## Canada Is Well On Way To Win the Butter Market In Britain

Canadian Press Despatch.  
Ottawa, Sept. 25.—Satisfaction with this year's quality and improved  
grading of Canadian butter is expressed by prominent importers in  
Britain, one of the most important distributing centers of Canadian  
butter in the United Kingdom, according to advices received by the  
department of trade and commerce of Canada from Trade Commissioner  
Douglas S. Cole, Bristol.  
The letter adds that if Canada keeps on shipping good fresh butter,  
in time it will have an effect on the English market, to the detriment  
of other sources of supply. Mr. Cole states that "increased quantities  
of western Canadian butter are coming into that market, and this new  
source of supply upholds the high reputation the Canadian product  
has won in the trade."  
One notable change in the situation, he states, is the elimination  
of Irish butter supplies. The Irish exporters were formerly the chief  
competitors of the Canadian produce in the west to England.

## Historic White Oak Church Arrives At Golden Jubilee

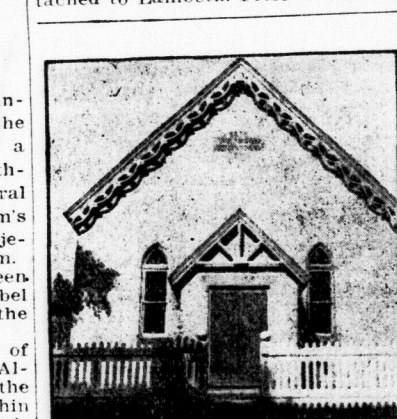

Two Former Pastors, Now in  
London, Will Preach at  
Sunday Services.

### CONCERT ON MONDAY

Union Ideals Predominated in  
Rural Church in the  
Late 80's.

Golden jubilee services will be  
held Sunday by the United church  
at White Oak, formerly the Metho-  
dist church. The celebration will be  
continued until Monday evening.  
Looking back over the years and  
making a brief summary of those  
who have passed through this par-  
ticular church, one is seized with  
this fact of the importance of these  
churches placed in strategic positions  
throughout rural districts. The  
White Oak church is no exception dur-  
ing the past 50 years. Eighteen suc-  
cessive ministers have served this  
church, besides 23 probationers for  
the ministry, serving one year  
each, and in a few cases two years.  
This church has been built in  
1913, one church of six composing  
what has been always known as the  
Westminster circuit.

**Under Bible Christians.**  
Prior to the year 1894 the commu-  
nity was served by the Bible Christian  
church, this appointment being at-  
tached to Lambeth. Prior to the time

when Bible Christians took over the  
spiritual supervision of the commu-  
nity for many years, this was called  
the Union appointment, being sup-  
plied by Methodist, Presbyterian and  
Baptist ministers. In the year 1875, Capt. Shore  
donated the land upon which the church  
was built, and Geary Bros. of Lon-  
don were the contractors. The struc-  
ture was of frame and stood until the  
year 1914, serving the community  
well. Then the building took on a  
new appearance, being bricked in and  
renovated within. It now is a com-  
fortable and creditable church, of  
which the congregation is justly  
proud.

### Pastors Come Back.

The services on Sunday promise to  
be very interesting in that two for-  
mer pastors will be present to pre-  
ach. Rev. W. E. Millon, in the afternoon,  
with music by a double mixed quar-  
ter from London, and in the evening,  
Rev. G. N. Hazen of London. Cen-  
tennial church will preach, and Lam-  
beth double mixed quartet will pro-  
vide the music. At both of these ser-  
vices, Master Ross Bowen of Elgin  
will sing. On Monday night the  
ladies of the church are preparing  
a Jiggs supper, with a splendid  
concert following.  
Already letters of greetings and con-  
gratulation are pouring in from  
past members of this church in re-  
sponse to invitations sent them to be  
present at these services.  
Rev. M. C. Parr entered the pas-  
torate last June, successor to Rev.  
T. A. Steadman, now of Byron.

## LONDON PIONEER DIES AFTER WEEK'S ILLNESS

William Pudney, Aged Tin-  
smith, Passed at Wyatt  
Street Home.

William Pudney, of 17 Wyatt  
street, died suddenly at noon yester-  
day.  
Mr. Pudney had been ill for the last  
week, but his condition was not  
thought to be serious. The deceased  
was a well-known tinsmith, and  
carried on a business on Richmond  
street north.

The late Mr. Pudney had been a  
resident of London all his life, and  
was a member of St. George's Angli-  
can church and of King Solomon  
lodge, A. F. and A. M.  
He is survived by his wife, Martha  
Jane, one son, William, one daugh-  
ter, Mrs. Etha Collins, both residing  
in this city. He is also survived by  
two brothers, John of Rochester,  
N.Y., and Frank of this city, and  
three sisters, Mrs. George Conely of  
Detroit, Mrs. Charles Tibbs and Miss  
Louisa Pudney, both of this city.  
The funeral services will be con-  
ducted by Rev. Archdeacon Sage.  
Masonic services will be held, with  
Cecil E. A. Webb, M.M., officiating.  
Interment will be made in Mount  
Pleasant cemetery.

REV. M. C. PARR,  
present pastor of the White Oak  
church, which marks its golden  
jubilee tomorrow.

## STRAIGHT CONTEST IN LAMBTON WEST

Border Progressives Fail To  
Nominate Candidate To  
Contest Riding.

Special to The Advertiser.  
Bridgen, Sept. 25.—A meeting of  
the West Lambton Progressive as-  
sociation was held here last even-  
ing to discuss the advisability of  
nominating a candidate to contest  
the west riding. George E. Shore  
of Bridgen was in the chair. After  
some discussion it was decided not  
to nominate.

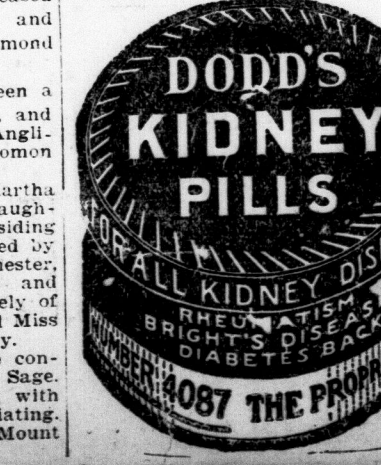

Members of the party who were  
presented by the executive regard-  
ing their candidature seemed loath to  
accept what one of them termed a  
"second-hand nomination," referring  
to the previous nomination having  
gone to W. Goodison of Sarnia, who  
refused the honor in order to qualify  
as the candidate of the Liberal party.  
While the convention did not of-  
ficially endorse Mr. Goodison, the  
general atmosphere of the meeting  
seemed to indicate that the farming  
community would support him rather  
than the Conservative candidate.  
After the convention Mr. Shore  
told The Advertiser that there is a  
possibility that the executive will call  
another meeting.

## COMMISSION TAKES UP RATE ORDER TUESDAY

Sixteen Separate Applications  
Will Be Considered by  
Board.

Canadian Press Despatch.  
Ottawa, Sept. 25.—Sixteen separate  
applications will come before the  
board of railway commissioners on  
Tuesday, when they will take up the  
question of rescinding or continuing  
the order reducing export grain  
rates to the Pacific coast.

The first application which reached  
the commission came from the Mon-  
treal board of trade on behalf of the  
Montreal Corn exchange association.  
This asked that the order reducing  
the rates should be rescinded, and  
that the whole question should be re-  
considered as a part of the equaliza-  
tion rate case.  
Twelve of the other applicants be-  
fore the commission make representa-  
tions along the same lines as the  
Montreal corn exchange.  
The board, in addition to the export  
grain rate case, will have before it  
an application by millers for the  
issuing of tariffs on Canadian rail-  
ways to meet American competition  
in the carriage of the flour.  
The Dominion Millers' association  
of Toronto, already has a case be-  
fore the board, in which it is charged  
that existing rates discriminate in  
favor of Chicago and other American  
cities.

## WEST MIDDLESEX TORIES PUT TOM ELLIOTT IN FIELD

Nominate Candidate in Hope  
of Spoiling Chances of  
Liberal Candidate.

### SOME ARE OPPOSED

"Stormy Petrel" of Middlesex  
Council Accepts After  
Others Refuse.

Special to The Advertiser.  
Stratford, Sept. 25.—Tom Elliott,  
reeve of West Williams, the stormy  
petrel of the county council, was the  
choice of a Conservative convention  
held here today, after all other  
nominees had refused to stand.

Some 100 delegates were present,  
mainly from the south of the riding.  
When the question of putting a  
candidate in the field for the coming  
federal election came up for discus-  
sion, a considerable number, led by  
John A. McIntyre, West Williams,  
were opposed, being personally com-  
mitted to J. C. Elliott, the Liberal  
nominee. The other body of opinion  
was varied by James Peters, Caradoc,  
and D. J. Matheson, Komoka, who  
thought this was a wonderful op-  
portunity to oust an ardent Liberal  
from office. Archie Walker, Caradoc, said  
the real business of Conservatives was  
to defeat the King government. J. C.  
Elliott is a supporter of Alan Mc-  
Dougal, he is a farmer, Progressive,  
U. F. C., or whatever he calls  
himself, will be harmless, as there  
will be only 10 or 12 such in the  
house. A vote was taken and car-  
ried that a candidate should be put  
in, none of those opposed voting  
against it.

Robert McKellar, Glenoe,  
called for nominations, and  
Robert McKellar, Glenoe; George  
Lewis, Stratford; Tom Elliott, West  
Williams; D. J. Matheson, Komoka,  
and R. Raey, Parkhill, were nomi-  
nated. Mr. Elliott was chosen.  
Dr. Raey wouldn't allow his name  
to go to a vote, saying the man was  
committed to the other man and  
was going to vote for him.

Upon suggestion of Archie Walker  
the candidates retired. All with-  
drew except Tom Elliott, who thus  
became the choice.  
George Spotton, Conservative candi-  
date for the riding, and George  
Elliott, M.L.A., Parkhill, addressed the  
delegates.

The new executive which was  
elected is Robert McKellar, Glenoe,  
president; Fred Loughton, Parkhill,  
vice-president; J. Ed. Dege, sec-  
ond vice-president; James Clock,  
Ailsa Craig, secretary-treasurer.

## MEIGHEN SCORES BOARD ON TARIFF

Declares Country Should Ex-  
pect Little From Proposed  
Safety Plan.

Canadian Press Despatch.  
Kingston, Sept. 25.—Hon. Arthur Meighen, Conservative leader,  
made his first appearance on an On-  
tario platform since he addressed a  
provincial audience in the Grand Opera  
house here this evening in support of  
Dr. A. E. Ross, Conservative candi-  
date for the riding of Kingston.  
While the speech was being made  
the speech of the Conservative  
leader was a condemnation of the  
government for its fiscal policy, and  
also for what he claimed was lack of  
policy on such major questions as  
the tariff, the railway, and the  
transportation and immigration.  
Mr. Meighen warned his audience  
that little was to be expected from  
a tariff commission, should the next  
parliament resemble the present one  
in its membership. The tariff was  
the creation of parliament, and the  
point of view and changes in the  
schedules must have the approval of  
parliament.

On the railway problem, Mr.  
Meighen condemned the government  
for discharging the former board of  
the Canadian National System which,  
he claimed, was composed of non-  
political businessmen, and replacing  
it with a board on which "there was  
a goodly number of political appoint-  
ees." Such conduct meant the "out-  
right" independent control of the  
system.  
He asserted that while the prime  
minister was going through the  
country preaching that there must  
be no interference with the national  
railways, his Quebec lieutenant, Hon.  
Ernest Lapointe, was promoting the  
large sale of railway in that  
province in order to elect a Liberal  
candidate.

He asserted that while the prime  
minister was going through the  
country preaching that there must  
be no interference with the national  
railways, his Quebec lieutenant, Hon.  
Ernest Lapointe, was promoting the  
large sale of railway in that  
province in order to elect a Liberal  
candidate.

## BRUCE PROGRESSIVES STILL SEEK NOMINEE

Second Convention Called by  
Farmers of North  
Riding.

Special to The Advertiser.  
Warton, Sept. 25.—The Progress-  
ive party has called another con-  
vention to meet here on Tuesday, next,  
for the purpose of nominating a can-  
didate to contest the coming elec-  
tions. Reeve Begg, of Bruce, at last  
week's gathering, was tendered the  
job, but on thinking it over for a  
week, came to the conclusion that his  
chances of election were slight, and  
at the executive meeting last night  
at Allerton, he definitely declined.

## CANADIAN NATIONAL TRAIN SERVICE CHANGED

## Rhodes Scholars To Holiday Free

Associated Press Despatch.  
London, Sept. 25.—The Rhodes  
Trust announced today that the  
value of the Rhodes scholarships,  
established by the late Cecil  
Rhodes, will be increased from  
£250 to £400 a year, to meet vaca-  
tion expenses and the increased  
cost of living. Nearly 200 Rhodes  
scholars from the United States  
and Canada now at Cambridge and  
Oxford universities will benefit  
from the increase.

## HEARING WAIVED IN DEATH TRIAL

M. McAlpine and R. Robin-  
ette Will Face Manslaughter  
Charge.

Canham, Sept. 25.—Martin Mc-  
Alpine, of Walkerville, and Russell  
Robinette, of Toronto, charged with  
manslaughter, arising out of a fatal  
accident which occurred on the pro-  
vincial highway near Kent Bridge  
some weeks ago, today waived pre-  
liminary examination, and consented  
to be committed for trial. They  
agreed that evidence adduced at the  
inquest over Clifford Knight, the  
accident victim, be evidence of the  
preliminary trial. The accused were  
released on bail of \$2,000 each, to  
appear for trial at the spring assizes.  
The accused were charged with  
manslaughter, and a truck driven by  
Robinette, crashed on the highway, killing  
injuries which proved fatal two  
days later.

## MAN JUMPS TO DEATH FROM BELLE ISLE BRIDGE

Associated Press Despatch.  
Windsor, Sept. 25.—Frederick  
Granger, 34 years old, who formerly  
lived at 147 St. Andrew street,  
Ottawa, committed suicide this morn-  
ing by jumping from the Belle Isle  
bridge into the Detroit river. His  
body has not yet been recovered.

## Tunney Victor Over Madden

Associated Press Despatch.  
Minneapolis, Sept. 25.—Gene  
Tunney, New York heavy-  
weight, established himself as the  
foremost white contender for Jack  
Dempsey's crown when he knocked  
out Bartley Madden, heavyweight  
trial horse, in the third round of a  
scheduled ten-round bout here to-  
night.  
The end came after a little more  
than two minutes of fighting in the  
third round, when Tunney backed  
Madden into a corner, gained his  
trial horse, and landed a crushing right to  
Madden's jaw. Topping over on his  
back, Madden was barely able to  
rise at the count of nine, and a  
short left hook again sprawled him  
on the floor, face downward, where  
he strove ineffectually to rise before  
he was counted out.  
Tunney weighed 160 pounds and  
Madden 185.

**HAGEN BEATS COOPER.**  
Associated Press Despatch.  
Chicago, Sept. 25.—Walter Hagen of  
Pasadena, Cal., today defeated Harry  
Cooper of Dallas, Texas, 3 and 1, in the  
semi-final 36-hole round of the profes-  
sional golfers' tournament. Hagen  
meets William Mehlhorn of Chicago  
tomorrow in the final.

## DIAMOND GLINTS

Only three men hit .500 or over in the  
late Mint titular clash, and London  
only two of these in Kernan and Ver-  
milyea. Kernan was the real leader,  
playing in all games, and hitting .518,  
while Vermilyea hit an exact .500 in  
six games.

Preston is known as the Health  
Town, but it's going to be unhealthy  
for either Niagara Falls or London to-  
day.

Niagara Falls were certainly under-  
estimated by Hamilton scribes, who  
predicted an easy victory for the Lon-  
doners over the Falls men in view of  
their victories over Preston and St.  
Thomas and Dresden.

Bova, the Niagara Falls veteran, has  
been pitching baseball a long time. The  
Londoners aim to fool the old gent to-  
day.

Chief Nason has been sold by San  
Antonio to Syracuse. The Chief led in  
three batters and hit at a .333 clip.

runner a handicap.

will be presented by the Arcade bowling  
academy. Prizes will also be distributed  
for high individual scores and averages.

## TOWN BEAUTIFICATION TALK.

Special to The Advertiser.  
Stratford, Sept. 24.—Henry J.  
Moore of the department of agricul-  
ture, Toronto, delivered an interest-  
ing lecture on "Town Beautification"  
Wednesday evening in the lecture-  
room of St. Andrew's church. The  
lecture was illustrated with lantern  
views and was held under the aus-

## SENATORS BANKING ON RIGHT-HANDERS

Harris Looks To Johnson,  
Covelleski and Marberry  
To Cop Honors.

Associated Press Despatch.  
New York, Sept. 25.—Now that the  
outcome of the National and American  
league pennant races has become a  
mathematical certainty, Pittsburgh and  
Washington, the rival world series con-  
tenders, are free to concentrate their  
efforts upon preparation for the annual  
baseball classic, which starts at Pitts-  
burg on Wednesday, Oct. 7. There may  
be a little less marauding than  
usual in this year's series, with John  
McGraw of the Giants missing from the  
picture for the first time in five years.  
McGraw's processes may be given  
a counterpart by Fred Clarke, veteran  
adviser to the Pittsburgh forces. Clarke,  
who was winning pennants with the  
old Pirates when McGraw first took  
control of the Giants, is credited with  
having done much of the deep thinking  
for the new National league champion.  
In this matching of wits, however,  
Clarke and Bill McKechnie, manager of  
the Pirates, will have a number of  
opponents in Bucky Harris, who has  
established himself as a strategist of  
the first rank, and who is qualified to  
confront him with his own straight-  
forward championship.

Harris figures that if his club beats  
the Pirates it will be done with right-  
hand pitchers, a view which also  
shared by McGraw, who is qualified to  
speak with authority on the merits  
of both contenders.

Walter Johnson and Stanley Cove-  
leski are the pitching aces upon whom  
Harris will place his main reliance,  
with not a few horses also resting on  
Alex Ferguson, veteran acquired from  
Boston, and Fred Marberry, reser-  
voir of the Washington staff.
