Another Lot of Suits that in the Ordinary Way Would Sell for \$25, \$35, and \$40, on Sale Monday at \$14.75, and \$23.75

MANY people purchased suits at \$23.75 this week and were pleased with their investment.

With the new lot at \$14.75 and about 50 more at \$23.75 we should have a very busy store on Monday morning.

If you didn't avail yourself of the opportunity to save on your Summer costume at our last sale, you have another excellent opportunity before you, and as we cannot tell how long it will be before we are able to make another offer like this, you'll do well to inspect these garments.

All are new, both in style and materials, while the workmanship is all that an exacting woman can demand.

AT \$14.75 there are panamas and tweeds, in colors browns, black, greys, navy, and black and white checks. Most are plain tailored, but a few are slightly trimmed, having collars and revers inlaid with satin and a few buttons on the skirt. Practically all sizes are here, and if you'll see the garments you'll be satisfied that they're a bargain.

AT \$23.75 there are 50 very smart garments to choose from, and as there are very few alike, you'll be sure of having a wide choice. Whipcoats, tweeds, panamas, serges and plain cloths are the materials, and blues, browns, mauves, greys, tans and black are the most prevalent colors. Some are plain tailored and others are fancily trimmed. They are all lined with silk or satin, and most sizes are here.
