CHILDHOOD INDIGESTION

Nothing is more common in childhood than indigestion. Nothing is more dangerous to proper growth, more weakening to the constitution or more likely to pave the way to dangerous disease. Fully nine tenths of all the minor ills of childhood have their root in indigestion. There is no medicine for little ones to equal Baby's Own Tablets in relieving this trouble. They have proved of benefit in thousands of homes. Concerning them Mrs. Jos. Lunette, Immaculate Conception, Que., writes: "My baby was a great sufferer from indigestion, but the Tablets soon set her right and now I would not be without them." Baby's Own Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

FORMER PLYMPTON MAN MEETS HORRIBLE DEATH

The article below refers to Robert Molton, a former resident of the 8th line of Plympton, and is a special despatch from Port Arthur under date of May 10th:

Robert Molton, a well-to-do settler at Cloud Bay, 35 miles from Fort William, was murdered Tuesday afternoon at 4 o'clock by an unknown party. Provincial police spent last night at the scene of the tragedy and returning today with Frederick Baldwin, whom they have detained in Port Arthur, on eight days' remand as a suspect. Baldwin was found wandering around one of the roadsides not far from the Molton homestead. It is alleged he has been paying attention to Gladys Molton, elder daughter of the dead man. It is also alleged that Molton had strenuously shown his objection of his last visit. Molton's body was found on the Molton road, off the highway half a mile. He had been shot three times. His younger daughter, Dorothy, found her father's body on her way home from school. A man was seen by the wife of Neighbor Randall waiting where the road branches in. This person was seen to disappear up the road after Molton had passed the turn, and a few minutes later three shots rang out. Mr. Molton was Road Commissioner in Cloud Bay, and highly respected. He leaves a widow and two daughters. He had lived at Cloud Bay many years. A brother, Henry Molton, has a farm nearby. Baldwin when arrested was wearing overalls. He is in Port Arthur jail, but has nothing to say and has not been asked any questions, nor can he be seen. An inquest was opened tonight by Coroner R. W. Boyd. After the jury viewed the remains adjournment was taken till the evening of May 19th. Near the scene of the fatality was found the brass jacket of one of the cartridges. The Coroner believes the murder was committed by soft nosed bullets from a high-power rifle.

Beside the relatives mentioned above deceased is survived by two other brothers and five sisters viz: Fred of the 6th line, Plympton; Alex of Port Huron; Mrs. Geach, London Road, Plympton; Mrs. Cicero Wallis, Forest; Mrs. McArthur, of Adelaide; Mrs. Robt. Carroll, of Sarnia, and Mrs. Johnson, of Detroit.

Latest reports state that Baldwin has confessed the crime.

PALE, WEAK GIRLS AND DELICATE WOMEN

Can Find New Health by Enriching Their Blood Supply.

Nature intended every girl and every woman to be happy, active and healthy. Yet too many of them find their lives saddened by suffering—nearly always because their blood is to blame. All those unhappy girls and women with colorless cheeks, dull skins, and sunken lusterless eyes, are in this condition because they have not enough red blood in their veins to keep them well and in the charm of health. They suffer from depressing weariness and periodical headaches. Dark lines form under their eyes, their heart palpitates violently after the slightest exertion, and they are often attacked with fainting spells. These are only a few of the miseries of bloodlessness. When the blood becomes thin and watery it can be enriched through the use of Dr. Williams' Pink Pills and the troubles that come from poor blood disappear. In almost every neighborhood you will find some formerly ailing woman, or pale breathless girl who has a good word to say for this medicine. Among them there is Miss Laura Monaghan, Campbellton, P.E.I., who says:—"Before using Dr. Williams' Pink Pills I was in a badly run down condition. I was pale, thin and scarcely able to go about. The least exertion made my heart palpitate so violently that I was actually afraid one of those spells might carry me off. Often my nights were sleepless, and as the treatment I was taking did not help me I was almost in despair. Finally a friend advised the use of Dr. Williams' Pink Pills and in the course of a few weeks after beginning this treatment there was a decided improvement in my condition. I continued using the pills and am now enjoying good health. I am glad to give you my experience in the hope that some other sufferer may find the way to better health." These pills are sold by all medicine dealers or may be had by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

PETROLEA

The many friends of Mr. Sterling Tobias, who has been suffering from carbolic acid burns in Victoria Hospital, London, will be glad to hear that he is recovering nicely.

Mr. John F. Donald, who owns a piece of property, required by the Water Commission as a site for the proposed new reservoir on the P. & E. lowline and the Commission so far have been unable to agree on a price. The Commission wanted about an acre of land and was willing to pay \$380 for it but Mr. Donald stood firm for \$500. A bylaw was passed by the Commission at a meeting held last night to expropriate about 1 1/2 acres.

About forty young people of Wyoming Methodist League, motored to Petrolea on Monday night and entertained the local leaguers, in the basement of the Methodist church, with a splendid musical program. After singing a hymn and a short prayer the meeting was handed over to the visiting President, Mr. W. W. Rice, who after a few appropriate remarks, continued the program as follows: Solo, Miss Annie Brownlee; instrumental, Miss Vida Harkins; vocal duet, Misses M. Hallam and Irene Jones; reading, Miss Marion Stinson; vocal duet, Miss Vida Harkins and Harold Smith. The way in which the numbers were applauded demonstrated the appreciation of the audience. The program was followed by games in charge of the local President, after which a tasty lunch was served. A hearty vote of thanks was extended to the home leaguer by the visitors for the way in which they were received. The singing of "O Canada" brought the evening to a close.

WHAT IS HOME;

A magazine invited replies to the question, "What is home?" and eight hundred answers came, representing all classes of society, from homes of wealth or poverty, refinement or crudeness. Seven, which the Editor called "gems," were selected and published. They deserve further notice. Here they are:

- Home—A world of strife shut out, a world of love shut in.
- Home—The place where the small are great and the great are small.
- Home—The father's kingdom, the mother's world, and the child's paradise.
- Home—The place where we grumble most and are treated the best.
- Home—The centre of our affection round which our heart's best wishes twine.
- Home—The place where our stomachs get three square meals daily and our hearts a thousand.
- Home—The only place on earth where the faults and failings of humanity are hidden under the sweet mantle of charity.
