

The Weekly Monitor.

WEDNESDAY, JULY 28th, 1886.

Gladiators has resigned, his resignation has been accepted, and the Ministry has called upon Lord Salisbury to form a new cabinet.

The unfortunate people who are out of a precarious existence on Labrador are now in a state of great distress.

The Lunenburg Progress makes the following announcement: The Nova Scotia Central Railway Company have made the necessary financial arrangements with New York capitalists.

Hon. Thomas F. Morrison, died at his residence in London, on Friday evening last, in the 79th year of his age.

We have received the Calendar of Acadia College for 1886-7. It contains full information relative to the institution.

The latest and the richest of the circular prepared by Portland merchants in which they review the present and past respect of the fishery dispute, and then go on to say that if the U. S. government does not declare non-intercourse with Canada, they will place the greatest boycott of the age upon Canadian products.

The Berwick Camp Meeting will commence on Wednesday, 5th August. Full particulars will be found in our advertising columns.

The heaviest strike at present in New England, is that of the leather workers of Salem and Peabody. The grievance that the workmen complain of is that they are required to work more than 10 hours per day.

There has been for some time a demand for a new style of beer, the leading New York brewers have now begun to supply the market with a new style of beer.

St. Switlin's day appears to have been a very large portion of the Dominion and in the United States. We gather this not from the papers that have referred to it.

We are now having plenty of rain, and crops have advanced in the past few days. Harper's Magazine for August is now out. Review next week.

The summer number of Toronto Grip is an exceptionally good one of this year's periodicals.

The Italian barque Francesco, on her way to Genoa, Italy, she carried on cargo \$28,000. This is the first cargo of lumber shipped from here, and originates from the province for that port.

Mr. E. Cunningham, of Wilton, writes us that he has a Jersey heifer 14 months old last week. She came to him milked in the month of June.

We have received the Calendar of Acadia College for 1886-7. It contains full information relative to the institution.

The Yarmouth Herald, always one of the best of our provincial weeklies in every way, has done a new dress in its reading columns and presents a very tasteful appearance.
