JOHN GEORGE WAITE
181 High Holborn, London, England.

HAS THE LARGEST STOCK OF VEGETABLE, AGRICULTURAL, and FLOWER-SEEDS, IN THE WORLD, and can supply dealers on better terms than any other who sell at a sale house, as he makes most extensive arrangements with none but experienced growers to produce his supply of seeds, which are raised and grown from stock selected under his own personal superintendence, and as they are all cleaned and picked in his own extensive warehouses by an auxiliary strength of several hundred men and women, kept for that purpose, he is enabled to recommend, with the greatest confidence, every description of Seed offered by him for sale, and he therefore invites Seed Dealers to apply for his Catalogue.

TERMS—Cash, or satisfactory reference in England.
