

Millstream Church account shows an income of \$118.12, and the liabilities amount to only \$54.62. Fifty families are on the roll, with 100 communicants. The congregation has advanced \$50 in its contributions to the pastor's salary, making an increase of about \$100 in two years.

During the past fortnight Rev. Mr. Gale has been conducting evangelistic services in Sussex. The services were undenominational in character, and seems to have made a lasting impression upon people's minds. Many have professed their belief in Christ, and no doubt all the Churches will feel an impetus in their spiritual life from the heart-reaching and soul-stirring discourses of Mr. Gale. The number who have joined the churches has not as yet been announced, but doubtless all will receive an increase.

Presbytery henceforth meets quarterly. Such was the decision arrived at after due deliberation at the last meeting. The usual meeting will be held in May and the first meeting under the new arrangement in July. The following are the proposed dates of these meetings: The meetings in April and July will be held on the first Tuesday in the month; those in October and January on the third Tuesday. Special meetings will be held when necessary, at which only the special business named can be transacted.

Last Assembly created a new committee, called the Committee on Church Life and Work. This committee assumed charge of the ground formerly covered by the Committees on Systematic Giving, State of Religion, Sabbath Observance and Temperance. As Presbytery had no committee to attend to the collection of the answers to the new committee's questions it was agreed to place the matter in the hands of the four convenors of these committees, with Dr. Bruce as general convenor, to collect information and furnish a report. Ministers and Session Clerks would greatly oblige the committee if they would forward their answers to the questions to Dr. Bruce, the convenor, as soon as possible.

Members of Presbytery heard with regret of the serious illness of Mrs. Mahon, wife of the Rev. A. W. Mahon, of St. Andrews. We are pleased to hear that she is now in a fair way of recovery.
