GLASS BALL SHOOTING AT MON- TREAL.

 of the vicinity of Montreal had a glass ball
 shoot with the following result:—

 "Did not shoot.

This was followed by three sweepstakes at
 pigeons, in which the following were the win-
 ners: V. Barrette, 18 out of 15; F. La-

(son of Hall's Union); 8th dam by Blue (son of
 imp. Janus.)

As a race Lyncburg had a short but brilliant
 career. He made his debut as a two year old on
 the Buckeye Course, Cincinnati, in October
 1866, and was placed third to Hamburg and
 Maggie B. B. in a two year old sweepstakes run
 in 1:15, beating Annette, Enquirer, Lyttleton
 and Flash of Lightning, and soon after beat An-
 nette, Lyttleton and two others, one mile, in
 1:48½. At Memphis, Tenn., Nov. 8, he was
 beaten by Hamburg, over a slow track, in the
 Bradley Stakes, one mile, in 1:51. At the same
 meeting he ran third to Enquirer and Hamburg
 in the George Elliot Sequel Stakes, one mile, in
 1:48, in a field of five. Over the Woodlawn
 Course he beat Maggie B. B., Lyttleton, King-
 fisher and Enquirer, slow track, ¾ mile, in 1:38
 At the Nashville Fall meeting he ran second to
 Maggie B. B. in the Young America Stake, one
 mile, in 1:45, Hamburg third, Enquirer and six
 others not placed. As a three-year-old at Sara-
 toga, in a mile and a half dash, he beat Ecliptic,
 Chillicothe and three others, and in the Conti-
 nental Hotel Stakes at Long Branch, mile heats,
 he won the first heat in 1:47, beating Enquirer,
 Maggie B. B., Susan Ann, &c.; but in the second
 heat injured his shoulder and was drawn. He
 never recovered from this injury and was retired
 from the turf, and thus cut off, in the beginning
 of a successful racing career, from taking rank
 with the best horses on the American turf.

As a stallion, Lyncburg has not, so far, proved
 a great success; but this, in a great measure,
 may be attributed to the fact that he never had
 the opportunity of serving first class mares.
 The most successful of his got is the filly May
 flower, foaled in 1874, out of a mare by Congaroo,
 who as a two year old won a half-mile dash at
 Washington, D. C., with 97 lbs up, in 51½ sec-
 onds and a mile dash at Camden, S. C., over a
 heavy track, in 1:50½. Some of his young stock,
 however, are very promising.

ACCIDENT IN A SHOW RING.

The Hamilton Spectator has the following ac-
 count of an accident which happened last week
 at the Central Fair during the contest of the
 best lady rider.—The great event to which all
 had been looking forward during the afternoon
 was the lady horseback riding, and after some
 little delay two competitors came forward—Miss
 Wooley, of Gianford, and Miss M. Van Wagner,
 of Stoney Creek. Each lady was well mounted
 and attended by a gallant squire, but there was
 some disappointment expressed at their being
 only two contestants. As matters turned out,
 however, there was excitement enough to satisfy
 the strongest craving. There was some yeast to
 be seen in all directions around the grounds,
 sample packages having been freely distributed
 during the day. This yeast is claimed to be the
 yeast par excellence, but may fairly be assumed
 that it never before occasioned such a fermenta-
 tion as it did on this occasion. While Miss
 Wooley and her escort were galloping at a
 pretty fast rate round the north side of the
 ring some person threw a package of yeast
 which struck the latter's horse, the
