RHEUMATINE

An Internal Remedy and a SURE CURE for all kinds of

Rheumatic Complaints.

If you are suffering from

KIDNEY COMPLAINTS

Give RHEUMATINE a fair trial. You will never regret having done so.

Testimonial from Rosa Needham, who has been for years in the service of the Rev. Dr. Williams, of St. Paul Street Methodist Church, St. Catharines, St. Catharines, July 2, 1893.

MR. SUTHERLAND: Dear Sir,—I have been afflicted some years with Rheumatism, became stiff and almost helpless. I also suffered very great pain. I was in this state when I first saw your advertisement of Rheumatine in the papers. I thought it could do me no harm to try it, which I did with the best results. Now I can move about as well as ever. I had taken a number of bottles. Still that is nothing to being cured, which I am happy to say I am.

I did not feel any relief until I had taken four five bottles; then I began to feel better. I truly hope anyone else who is suffering from Rheumatism will give your Rheumatine a fair trial. It was very bad and it cured me. Do as you see fit with this letter and believe me to remain.

Most gratefully yours, (Signed) ROSA NEEDHAM

P.S.—I am living at the Rev. Dr. Williams, St. Catharines. Any reference to him will prove that the above is true. (Signed) ROSA NEEDHAM

A NOTED HUT UNTITLED WOMAN.

(From the Boston Globe.)

Messa Bitters—The above is a good likeness of Mrs. Lydia E. Pinkham, of Lynn, Mass., who above all other human beings may be truthfully called the "Dear Friend of Woman," as some of her correspondents love to call her. She is zealously devoted to her work, which is the outcome of a life-study, and is obliged to keep six lady assistants, to help her answer the large correspondence which daily pours in upon her, each bearing its special burden of suffering, or joy at release from it. Her Vegetable Compound is a medicine for good and not evil purposes. I have personally investigated it and am satisfied of the truth of this. On account of its proven merits, it is recommended and prescribed by the best physicians in the country. One says: "It works like a charm and saves much pain. It will cure entirely the worst form of falling of the uterus, Leucorrhoea, irregular and painful Menstruation, all Ovarian Troubles, Inflammation and Ulceration, Floodings, all Displacements and the consequent spinal weakness, and is especially adapted to the Change of Life." It permeates every portion of the system, and gives new life and vigor. It removes fatigues, drowsiness, destroys all craving for stimulants, and relieves weakness of the stomach. It cures Bloating, Headaches, Nervous Prostration, General Debility, Sleeplessness, Depression and Indigestion. That feeling of bearing down, causing pain, weight and backache, is always permanently cured by its use. It will at all times, and under all circumstances, act in harmony with the law that governs the female system. It costs only \$1. per bottle or six for \$5., and is sold by druggists. Any advice required as to special cases, and the names of many who have been restored to perfect health by the use of the Vegetable Compound, can be obtained by addressing Mrs. T., with stamp for reply, at her home in Lynn, Mass. For Kidney Complaint of either sex this compound is unsurpassed as abundant testimonials show. "Mrs. Pinkham's Liver Pills," says one writer "are the best in the world for the cure of Constipation, Rheumatism and Torpidity of the Liver. Her Blood Purifier works wonders in its special line and bids fair to equal the Compound in its popularity. All must respect her as an Angel of Mercy whose sole mission is to do good to others." Philadelphia, Pa. (C) Mrs. A. M. D.

An Old Soldier's EXPERIENCE.

"Calvert, Texas, May 3, 1892. I wish to express my appreciation of the valuable qualities of Ayer's Cherry Pectoral as a cough remedy. While with Churchill's army, just before the battle of Vicksburg, I contracted a severe cold, which terminated in a dangerous cough. I found no relief till on our march we came to a country store, where, on asking for some remedy, I was urged to try Ayer's Cherry Pectoral. I did so, and was rapidly cured. Since then I have kept the PECTORAL constantly by me, for family use, and I have found it to be an invaluable remedy for throat and lung diseases. J. W. WHITLEY."

Thousands of testimonials certify to the prompt cure of all bronchial and lung affections, by the use of AYER'S CHERRY PECTORAL. Being very palatable, the youngest children take it readily. PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists.

Scientific and Useful.

If a little salad oil is mixed with mustard for the table it is greatly improved. ONE who thinks he knows all about farming says the best way to raise strawberries is with a spoon. LEMON PIE.—One tablespoonful of flour, one egg, the sliced pulp and grated rind of one lemon, one cupful each of white sugar and water. Two crusts. COLD FROSTING FOR CAKES.—To the white of one egg, beaten very light, add nine heaping teaspoonfuls of powdered sugar, with one teaspoonful of cornstarch. Stir all well together, and flavour to taste. LEMON PIE, No. 2.—One egg, one and a half cupfuls sugar, two tablespoonfuls flour, half of a finely broken cracker, one cupful water and the grated rind of one large lemon. Squeeze out the juice or slice the pulp. Two crusts. SALVE FOR CHAPPED HANDS.—Three drachms white beeswax; three drachms spermaceti; two ounces olive oil; three drachms gum camphor. Put into a tin cup; place on back of range, where they will melt slowly. Stir often. When well mixed pour into a china cup. Rub on the hands every night. RATS AND MICE.—If a mouse or rat makes entrance into any part of the dwelling, saturate a rag with cayenne pepper in solution, and stuff it into the hole, which can then be repaired with wood or mortar. Neither rat nor mouse will eat this rag, which should be large enough to fill the hole completely. WASHING CALICO.—To prevent the fading of calico during washing, use no soap but instead, very thick starch tied in a cloth. Wash on a clear day; hang out as quickly as possible, and allow them to be in the sun only to dry. Few calicos are worth this trouble, to be sure, but it is an excellent method with delicate cambric and lawns. WHITE LAYER CAKE.—Whites of four eggs, two cupfuls of white sugar, one cupful of sweet milk, half a cupful of butter, two teaspoonfuls of cream of tartar and one of soda, or three teaspoonfuls of baking powder, and three cupfuls of flour. This receipt makes a nice layer cake with jelly or cocoanut between. It also makes a very nice white fruit cake by adding some chopped raisins and a little citron. A NEW THING.—Petley & Petley have inaugurated a new system of Saturday sales, keeping open to ten o'clock, thereby giving all who are paid late on Saturday an opportunity of making purchases the same day. Among the features of these Saturday sales are five, ten, and twenty percent counters at which a great many goods can be bought for one-half of regular prices, and in some cases at even lower rates. SAUCE FOR WILD DUCK.—A tablespoonful of made mustard, a teaspoonful of essence of anchovies, a pinch of Cayenne pepper, a tablespoonful of mushroom ketchup, and a wine glass of claret. Mix the mustard and anchovy essence thoroughly in a sauce-pan, add the Cayenne, then the ketchup, a few drops at a time, the claret last. Heat over a clear fire; slice the breast of the duck and pour the sauce over it very hot. TOTTERING VASES.—A tall vase filled with flowers and placed on a bracket is very apt to be blown to the floor, if the doors are open for ventilation. To prevent this, fasten the vase to the bracket with fine elastic cord, which will allow it to be easily taken down and replaced. If a light vase, holding dried grasses or everlasting flowers, is easily pushed over, put in an ounce of shot to make it heavy. If the vase is transparent, coat the shot with flour and dry before using. HOW TO BOTTLER FACIL.—Take cherries, strawberries, gooseberries, plums, or apricots before they are dead ripe, put into large-mouthed olive bottles, and fill them very full, then cork tightly, place into a large pan or kettle of cold water with hay between the bottles, and let the water come up to their necks. When the water boils take the kettle from the fire, and let the bottles stand in it until cool. Then mix two-thirds beeswax with one-third tallow; heat together and dip the corks into the boiling mass. Keep in a cool cellar. HOLLOWAY'S Corn Cure is a medicine to cure all kinds of corns and warts. A WRONG OPINION.—Many a dollar is paid for prescriptions for some disease that never troubled the patient, and when the sole difficulty was worms, which a few of Freeman's Worm Powders would have cured. These Powders are pleasant, safe, and they contain their own cathartic, and are adapted for children or adults. THERE is nothing equal to 'Honey Graves' Worm Exterminator for curing Worms.

Blessed Benefactors.

When a board of eminent physicians and chemists announced the discovery that by combining some well-known valuable remedies, the most wonderful medicine was produced, which would cure such a wide range of diseases that most all other remedies could be dispensed with, many were sceptical; but proof of its merits by actual trial has dispelled all doubt, and to-day the discoverers of that great medicine, Hop Bitters, are honored and blessed by all as benefactors. These Bitters are compounded from Hops, Buchu, Malt, Mandrake and Dandelion, and other oldest, best and most valuable medicines in the world, and contain all the best and most curative properties of all other medicines, being the greatest Blood Purifier, Kidney and Liver Regulator, and Life and Health Restoring Agent on earth. No disease or ill health can possibly long exist where these Bitters are used, so varied and perfect are their operations. They give new life and vigour to the aged and infirm. To all whose employments cause irregularities of the bowels or urinary organs, or who require an Appetizer, Tonic and mild Stimulant, these Bitters are invaluable, being highly curative, tonic and stimulating, without intoxicating. No matter what your feelings or symptoms are, what the disease, ailment or ailment Hop Bitters. Don't wait until you are sick, but if you only feel bad or miserable, use the Bitters at once. It may save your life. Hundreds have been restored to doing. \$5000 will be paid for a case they will not cure on help. Do not suffer yourself or let your friends suffer, but use and urge them to use Hop Bitters. Remember, Hop Bitters is the purest and best medicine ever made; the "Invalid's Friend and Hope." No person or family should be without them. "I was troubled for many years with serious Kidney and Liver Complaint, Gravel, etc.; my blood became thin; I was dull and inactive; could hardly crawl about, and was an old worn out man all over, and could get nothing to help me, until I got Hop Bitters, and now I am a boy again. My blood is pure, kidneys are all right, and I am as active as a man of thirty, although I am seventy-two."—FATHER. "For ten years my wife was confined to her bed with such a complication of ailments that no doctor could tell what was the matter or cure her, and I used up a small fortune in humbug stuff. Six months ago I saw a U.S. flag with Hop Bitters on it, and I thought I would be a fool once more, and I tried it, but my folly proved to be wisdom, and two bottles cured her; she is now as well and strong as any man's wife, and it cost me only two dollars."—H. W.—, Detroit, Mich. BE CAREFUL The genuine "Honey Graves" is made by E. S. Wells, and has the face of a man on labels. 15c. & 25c. bottles. A LETTER from P. O. Sharpless, Drug gist, Marion, Ohio, in writing of Dr. Thomas' Electric Oil, says: "My man was cured of sore-throat of eight years' standing with one bottle. We have a number of cases of rheumatism that have been cured when other remedies have failed. We consider it the best medicine sold. SKINNY MEN "Honey Graves" restores health and cures Dyspepsia, Indigestion, Debility, &c. ANOTHER WITNESS.—A. Chard of Sterling, testifies to the efficacy of Hayward's Yellow Oil, which he used for a long time to cure knee joint. It is the best remedy for inflammation, pain, stiffness, lameness, etc., and is used both internally and externally with infallible success. Mr. J. LIXST, warehouseman for Lutz Bros., Buffalo, N. Y., says he has a swelling on his foot which he attributes to Chilblains. He used Dr. Thomas' Electric Oil, and is troubled no longer. Dr. Thomas' Electric Oil may be imitated in its appearance and name, but not in its virtues. GREAT results are speedily accomplished by the leading alternative, Northrop & Lyman's Vegetable Diet, very good Dyspeptic Cure. Indigestion ceases, biliousness disappears, constipation gives place to regularity of the bowels in consequence of taking it. Ladies suffering from complaints peculiar to their sex experience long wished relief from it, and impurities in the circulation no longer trouble those who have sought its aid. Give it a trial and you will not regret it.
