"THE MAGNETICON PAD."

A NEW APPLICATION OF AN OLD PRINCIPLE.

The success which has attended the use of the various "Magneticon" appliances in Great Britain and Canada during the past twelve years, and the frequent and urgent requests for an appliance adapted for general use, has led to the introduction of the

"MAGNETIC PAD FOR UNIVERSAL APPLICATION."

Each Pad contains a number of specially prepared magnets, fully and permanently charged, and arranged on the most approved scientific principles. These constantly radiate currents of magnetism, which, acting upon the body, quickly remove inflammation, irritation, and pain, and build up a natural and healthy condition without any of the disastrous results which inevitably—sooner or later—follow the practice of drug medication. They supply a

NATURAL FORCE IN A NATURAL MANNER,

And are, in reality, *A Permanent Magnetic Battery*, requiring no preparation or management, and giving no shocks or unpleasant sensations; while, from their peculiar adaptability, the same Pad may be used with thoroughly good effect for the

Head, Throat, Lungs, Stomach, Liver, Kidneys, or Spine,

And for all Nervous and Rheumatic Affections, and may also be worn by different persons, their magnetic properties being practically inexhaustible.
