JOHN BULL AND HIS ISLAND.

By MAX O'RELL. Translated from the French

Price, Paper, 60 Cents.

This book has gone through many editions in England. The demand for it there has exceeded that of any book for a long time back. It is a very amusing account of an observant Frenchman's views of England and the English, after ten years residence in that country. There is always a peculiar interest in hearing of the impressions of others regarding ourselves. On this account, and because of the raciness of the writing, the work is extremely entertaining. The observations, though not uniformly complimentary, are made in a very kindly spirit, and leave with the English reader a feeling of deep satisfaction with his nationality.
