

MRS. E. M. ORD MARSHALL, Hon, Secretary "League of the Empire,"
Caxton Hall, Victoria St., Westminster, S. W.,
London, England.

The League of the Empire is the most convenient institution through which to get into touch with other schools for general school correspondence, nature study correspondence, etc., as intimated in previous JOURNALS.

The FEDERAL MAGAZINE is published monthly by the League, and makes a speciality of communication with the schools of all parts of the Empire. The League has been appointed the agent of the Education Department of Nova Scotia, in London, for educational purposes, where it is in touch with the Imperial Educational authorities. In every school with more than one teacher, one at least should obtain this magazine for the teachers' reading club or library.
