A Table wherever you want it.

This table can be folded and carried to any part of the house, verandah, or lawn by even a child. Yet it is staunch and steady enough to hold over half a ton.

The Lightweight PEERLESS Folding Table

is made in Early English, Fumed or Golden Oak, with green felt or leatherette and are made with both round or square tops.

This table is indispensable in the house and can be used for cards, sewing, reading, lunches or teas. Always ready for use and when not in use it can be folded and put behind a door or in a closet.

Write for Catalog "C" and name of nearest dealer who sells the Peerless, so that you can see the table for yourself.

THE "IDEAL" IS PARAMOUNT

If the Water Motor of the Ideal Washer was its only feature, it would still be the best one that could be bought.

But it is only one of many and the combination makes the Ideal unique among washing machines.

There is a patented feature that prevents warping and another that gives rigidity, strength and durability.

Investigate this washer at your dealer's or send to us for information.
