BONUSES

To Manufacturers

The CITY OF BELLEVILLE offers special inducements to Manufacturers seeking a location.

Besides its situation on the Bay of Quinte, in the centre of one of the wealthiest Agricultural districts in Ontario, possessing superior facilities for shipping by water, it is the principal terminus of the Midland Railway System, which extends its branches to several points on the Georgian Bay, and through the lumber country in and beyond the Muskoka District. It is also the most important station between Montreal and Toronto, on the main line of the Grand Trunk.

Besides the natural advantages for Manufacturing Operations, the city offers inducements to parties seeking location, Exemption from Taxes, Free Site for building, and money aid on certain conditions.

The Accident Insurance Company of North America possesses a record for both reliability and liberality, one proof of which is that it has paid over nineteen thousand losses and has contested but eleven claims at law in 16 years for nearly one million dollars. It has ample financial resources, and has made the Special Deposit with the Insurance Department at Ottawa. It is, moreover, the only Company whose capital and funds are solely applicable to Accident Insurance.
