REVIEWS.

AMERICAN JOURNAL OF NUMISMATICS.

Delay in the issue of our Journal enables us to acknowledge receipt of the July Number of this valuable quarterly, and the pleasure derived from the perusal of its contents, leads us to regret that its visits are not more frequent. The leading article, entitled Historic Medals of Canada, is from the pen of Mr. W. S. Appleton. The illustration accompanying the article is a very finely executed engraving of the "Kebeca Liberata" Medal. The pages of the Journal are filled with short, and deeply interesting articles original and selected, with reports of Societies.

To such of our readers who may not be subscribers to the Journal, we can but say that to a genuine numismatist it is invaluable.
