It is now pretty well understood to be a dangerous practice to attempt to palm off worthless imitations of the "Myrtle Navy" tobacco for the genuine article. In former years that practice was the cause of much annoyance, and Messrs. Tuckett & Son were compelled to resort to the law courts to put a stop to it. Though they have not met with any cases of the kind lately, it is always a safe precaution for the purchaser to see that the trade mark T. & B. in bronze letters is stamped upon each plug; no plug ever leaves the factory without it, and to appropriate the trade mark is a punishable offence.
