

CITY ITEMS.

The Star says there are 1,100 houses in Montreal to rent. Prices have been reduced 30 to 50 per cent.

POVERTY.—The number of persons applying for protection in the various police stations is steadily on the increase, and the authorities of some of our city charities are becoming more perplexed as to the means they must adopt in order to relieve the needy.

ROYAL CANADIAN INSURANCE COMPANY.—James Dawson, for thirty years manager of the Phoenix Insurance Company in this city, has been appointed manager of the Canadian fire department of the Royal Canadian Insurance Company. Mr. Alfred Perry still retains the position of general manager.

Notice has been given by the Grand Trunk Railway Company again that operators and other employees and their families, except Superintendents, are in future to be deprived of their pass privileges. During vacation time they will be allowed to travel to and from their destination for half ordinary fare.

The old soldiers who still remain quartered in the Quebec gate barracks are greatly incensed at the action of the Finance Committee in handing over the barracks to a party for private enterprise. They not only purpose sending in a petition to the Council concerning the matter, but intend calling upon the Finance Committee in a body.

The Globe's telegram from London says: Numerous shareholders of the Grand Trunk Railway have privately interviewed Mr. Hickson since his arrival here from Canada, and have been reassured by the explanations of that gentleman. But the Times is not content with this, and suggests that a public meeting should be immediately held to hear Mr. Hickson's statements on the subject.

MUNICIPAL ELECTIONS.—The nominations of candidates for Mayoralty and Aldermanic honors took place on Thursday 15th inst. Hon Jean Louis Beaudry and Alderman David were nominated for the Mayoralty. Both of the candidates addressed the assembly on civic matters, favoring a reduction in taxation. For St. Lawrence Ward six candidates were nominated. In most of the other wards the candidates were elected by acclamation. A lively time is anticipated in St. Ann's Ward, where Alderman McShane and P. Kennedy are candidates. A large assemblage witnessed the nominations and great interest was manifested among the electors.

MONTREAL BRANCH IRISH HOME RULE LEAGUE.—The adjourned annual meeting of the association was held on the evening of the 16th inst., in St. Patrick's Hall, there was a good attendance of members. The chair was occupied by the President, Mr. Edward Murphy, who, on opening the meeting said that he was glad to see by the Irish papers received that day, that the Conference of the Irish Members of Parliament, called for the 31st ult., has taken place and was largely attended, the greatest unanimity prevailed. The first act of the Conference was an expression of entire confidence in Mr. Butt, whom they re-elected unanimously the leader of the Irish Home Rule party. Resolutions recommending a more vigorous parliamentary policy by the Home Rule members was adopted, and that the Home Rule question be brought forward again at an early day during the present session. He referred to the extraordinary conduct of Mr. O'Keefe, M.P., for Dungarvan in supporting Lehmann, the anti-Home Ruler against Mr. Delahanty the candidate of the National party, whom he was happy to say was elected by an overwhelming majority, and he rejoiced to notice that steps were being taken to expell him from the Home Rule League. He congratulated the members on the numbers then present and announced that the regular business for which they had met now commenced. A number of members then paid in their annual subscription, (a list of which will be found below) The election of office-bearers for the ensuing year was then proceeded with, and the following gentlemen were unanimously elected to fill the various offices, viz:—

EMERALD SNOW RACES.—The annual races of the Emerald Snow Shee Club took place on Saturday afternoon, in the presence of a numerous and delighted audience. The Judges were His Worship Mayor Hingston, Captain Kirwan, Jno. Hatchette, Wm. Wilson, J. E. Mullin, Edward Murphy, R. W. McCready, M. C. Mullarky, T. F. Fogarty, Wm. Stafford, and out of that body of men it was impossible to find a body of men better able to do their business than those who were appointed on Saturday afternoon. The officers of the club mustered in force, Mr. Charles Boyle, President; Messrs. P. J. Elroy and J. McKenna, Vice-Presidents, and the committee, consisting of Messrs. J. D. O'Neill, J. McNally, T. J. Martin, W. E. Mullin and J. G. Tumity, did their best to keep the field clear for the races. Messrs. J. D. Campbell, and W. E. Mullin acted as starters and gave every satisfaction. The first race was the two miles (Club) for a gold medal presented by Mr. C. Mullarky. Three men started, J. Boyle, W. Kay and J. Newman. Kay won. The 100 yards (heats) 3 in 5, for a gold medal, presented by Edward Murphy, Esq., brought forth three starters. McElver won three straight heats, followed by Messrs. Stewart and Seymour, in second and third places, in each heat. The half-mile (open) for a gold medal presented by R. McCready Esq., seven started. Piton, of Quebec, was looked on as certain to win, but from physical reasons gave up after the first quarter, leaving an easy race for G. E. Roy, 1st; A. E. Woods, 2nd; F. H. Hanna, 3rd. Two miles (open), presented by T. F. Fogarty. This race was looked forward to with considerable interest, it being known that three of our best snowshoers had entered, namely, Joseph Lang, George B. Starke, and Charles Lamotho. Starke won as he liked. Half-mile (Club), green, for a gold medal, presented by Mr. William Wilson. The entries were W. P. Mullin, J. D. O'Neill, Jas. Shea, T. Giblin, and W. McMahon. The race was between Mullin and

Shea, Mullin winning by about twenty yards. Boys race, under 4 feet six inches, for a medal presented by Mr. Theo. White. The winner, F. Lawlor, was greeted with shouts on all sides, as also were his followers, B. Boyle and F. Smith, who fought hard for second place. Quarter mile (open). Gold Medal, presented by W. J. O'Hara. Six entries made the result exciting, but W. Cairns proved himself the best of the crowd, John Davy coming in a good second. One mile (Club), to be won two years, a silver cup, presented by Mr. Wm. Stafford. Three well-known Hibernian couriers, T. J. Martin, J. McKenna and Jas. Shea faced the mark for this race, they started manfully, but it was soon evident that Shea was out of training, and he wisely retired after the first quarter. McKenna made an extra attempt for the laurels, but Martin brought in the shamrocks and was received with a deserved ovation. The prizes gained during the afternoon were presented to the successful competitors by the respective donors, with appropriate remarks. At the close, cheers were given for the winners, judges, the Club, and the Queen.—Montreal Gazette.

CANADIAN ITEMS.

KINGSTON CITY COUNCIL.—The Kingston City Council have adopted a report of the License Committee, increasing the fees to be paid by the liquor dealers this year to \$200 for taverns, and \$175 for shops. Thirty-seven will be the limit of licenses issued.

ST. PATRICK'S CHURCH BAZAAR, OTTAWA.—The annual bazaar in aid of the building fund of St. Patrick's Church opened on Monday last. The Guard's String Band was present and played a select programme of pieces.

The Longueuil Roman Catholic Church was broken into on night of the 15th and the contents of the poor-box taken, amounting to some \$5. The priest's vestments were lying about, showing that the thieves had ransacked the place.

GRAND CONCERT.—A grand concert in aid of the Good Shepherd's Convent took place on Tuesday, the 20th instant, in St. Patrick's Hall Sussex street, Ottawa. The programme was an unusually attractive one bearing the names of the leading amateurs of the city.

ST. PATRICK'S SOCIETY, GUELPH, February 14.—At the annual meeting of Guelph St. Patrick's Benevolent Society, held last evening, the following officers were elected.—President, J. M. Bond; 1st Vice-President, Dr. Nunn; 2nd Vice-President, J. C. Chadwick; Secretary, W. S. Heffernan; Treasurer, Jas. Hazelton.

GUELPH CATHOLIC LITERARY DEBATING SOCIETY.—On Thursday of last week a well-attended meeting was held at the separate School House, called for the purpose of taking steps towards the formation of a literary and debating society among the adherents of St. Bartholomew's Church in this town, having for its object the intellectual improvement of its members. Mr. James Mays, jr., occupied the chair, and Mr. Jas. Wiley acted as Secretary. The committee appointed at a previous meeting to draw up a constitution and by-laws presented their report which was afterwards adopted. The number of members enrolled was 99, which certainly is an excellent beginning, and augurs well for the ultimate success of the institution. The following officers were elected.—Patron, Rev. Father Hammill, S. J.; President, Dr. Nunn; 1st Vice-President, Mr. E. O'Connor; 2nd Vice-President, Mr. John Murphy, Mount Tara; Secretary-Treasurer, Mr. James Wiley; Executive Committee, Messrs. John L. Murphy, W. S. Heffernan, F. Sweetnam, J. Coffee, and T. Howard. It was resolved that the meetings of the Society be held on the first and third Thursdays of every month, in the separate School building. The election of officers will take place on the 1st Thursday in June each year. The constitution provides that no regular fee will be exacted from any member, but that a collection will be taken up at each meeting, to defray expenses. The result of any debate shall be decided by popular vote. We understand it is the intention of the members to hold a public debate of which due notice will be given.—Mercury.

ST. BRIDGET'S ASYLUM ASSOCIATION, QUEBEC.—We understand that at a meeting of the Trustees of St. Bridget's Asylum Association, held last evening for the purpose of adopting a deed of arrangement with the Revd. Ladies of the Sisters of Charity and themselves for the future management of the Asylum, based upon the following resolution passed at the annual meeting on 28th December last:—Moved by John Dunn, jr., seconded by William Quinn.—That this Association deem it desirable to place the management of the Asylum in the hands of Nuns, for a term of 3 or 5 years, at the option of these Revd. Ladies themselves, provided their services can be procured on the following conditions:—1st. That the nuns shall have full control and management of the Institution, including the admission and discharge of inmates, in accordance with the Act of Incorporation. 2nd. That the Trustees shall pay over to the Nuns the interest on the capital (which capital amounts to \$12,800.00) together with the annual grants from the Government and School Commissioners of \$910.00; the grant from the Caisse d'Economie of \$200.00, and all other available assets that may come into their possession for the use of the Asylum, reserving only a sufficient amount to pay the premiums of insurance on the property as they become due. 3rd. That the Nuns may admit as many inmates as they may deem advisable; but in no case shall the Trustees be held responsible for the payment of more money than herein above specified. 4th. That the Nuns shall furnish to the Trustees an annual report of the number of inmates received into the Asylum and discharged therefrom, as also a statement of the receipts and disbursements. That the Trustees be, and are hereby authorized to enter into an agreement with the Revd. Ladies of any of the religious communities of the city who may be disposed to take charge of the Asylum in accordance with the foregoing conditions. The foregoing resolution was prepared and approved by certain of the members of the Association previous to the annual meeting referred to.—Chronicle 15th inst.

EPPE'S COCOA.—GRATEFUL AND COMFORTING.—"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Eppe has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette. Sold only in Packets labelled—"James Eppe & Co., Homoeopathic Chemists, 48, Threepenny Lane, and 170 Piccadilly, London."

TO CONSUMPTIVES.—Wilbor's Cod Liver Oil and Lino has now been before the public for ten years, and has steadily grown into favor and appreciation. This could not be the case unless the preparation was of undoubted and high intrinsic value. The combination of the Phosphate of lime with pure Cod Liver Oil, as prepared by Dr. Wilbor, has produced a new phase in the treatment of consumption and all diseases of the lungs. This article can be taken by the most delicate invalid without creating

the disgusting nausea which is such a prominent objection to the Cod Liver Oil when taken without Lino. This preparation is prescribed by the regular faculty, and sold by the proprietor, A. E. Wilbor, Chemist, Boston, and by druggists generally.

DE LA SALLE INSTITUTE, Nos. 18, 20 & 22 Duke Street, TORONTO, ONT.

DIRECTED BY THE CHRISTIAN BROTHERS. This thoroughly Commercial Establishment is under the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City.

Having long felt the necessity of a Boarding School in the city, the Christian Brothers have been untiring in their efforts to procure a favorable site whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely met with.

The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorite resort to students. The spacious building of the Bank—now adapted to educational purposes—the ample and well-devised play grounds and the ever-refreshing breezes from great Ontario all concur in making "De La Salle Institute" whatever its directors could claim for it, or any of its patrons desire.

The Class-rooms, study-halls, dormitory and refectory, are on a scale equal to any in the country. With greater facilities than heretofore, the Christian Brothers will now be better able to promote the physical, moral and intellectual development of the students committed to their care.

The system of government is mild and paternal, yet firm in enforcing the observance of established discipline.

No student will be retained whose manners and morals are not satisfactory: students of all denominations are admitted.

The Academic Year commences on the first Monday in September, and ends in the beginning of July
