MADEMOISELLE LACOMBRE AND MISS CLARKE WILL be REMOVED, on the FIRST of MAY, from No. 8 VITRE STREET, to No. 12 SANGUINET STREET, near Craig Street. April 8, 1863.

COLLEGE OF ST. LAURENT, NEAR MONTREAL.

I. This Institution is conducted by Religious, riests and brothers, of the Congregation of the Holy Oross.

IL It comprises two kinds of teaching: 1st. Primary and Commercial, in a course of four years. This includes reading, writing, grammar and com-position, arithmetic, the elements of history, ancient and modern, geography, book-keeping, linear drawing, algebra, geometry, mensuration, the elements of astronomy and of general literature ; in a word, every branch of knowledge necessary to fit persons for oc-enpations that do not require a classical education. The French and English languages are taught with equal care. 2nd. Olassical studies, such as are usually made in the principal colleges of the country. This course comprises seven years, but pupils who are very assiduous, or endowed with extraordinary ability, may go through it in six or even five years. Nevertheless before a pupil can be promoted to a superior class, he must prove by an oral examination and a written composition, that he is sufficiently acquainted with the various branches taught in the inferior class.

III. No pupil can be admitted to a course exclusively commercial, unless he has first acquired a correct knowledge of those branches usually taught in Primary Education.

IV. No one can commence the Latin course until he writes a good hand, and is able to give a grammatical analysis of the parts of speech of his mother

tongue. V. Every pupil coming f om another house of education must present a certificate of good conduct, signed by the Superior of that Institution.

VI. There will be a course of religious instruction suited to the age and intelligence of the pupils.

VII. In conformity with the rules of the Institution great care will be taken that the classical instruction is governed by the Catholic spirit, and a careful selection will be made of those authors best adapted to develop that spirit.

SCROFULA AND SCROFULOUS DISEASES. From Emery Edes, a well-known merchant of Oxford, Maine. "I have sold large quantities of your SARSAPAR-ILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community." Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin. From Ren. "I only do my duty to you and the public, when I add my testimony to that you publish of the me-dicinal virtues of your SARSAPARILLA. My daugh-ter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to eure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and much-esteemed lady of Dennisville, Cape May Co., N. J. "My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SAR-EARABILLA, which soon completely cured her."

BATARILLA, which soon completely cured her." From Charles P. Gage, Esq., of the widely-known firm of Gage, Murray & Oo., manufacturers of enam-elled popers in Nathua, N. H. "I had for several years a very troublesome hu-mor in my face, which grew constantly worse until it disfigured my features and becams an intolerable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief whatever, until I took your SARAAARILLA. It immediately made my face worse, as you told me it my face is as smooth as anybody's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARAARILLA." Erysipelas - General Debility - Purify the

No altera-tive we possess equals the SARBATARILLA you have supplied to the profession as well as to the people." From J. E. Johnston, Esq., Wakeman, Ohio. "For twelve years I had the yellow Erysipelas on my right arm, during which time I tried all the cel-chrated physiciansI could reach, and took hundreds of doilars' worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARBATARILLA. Took two bottles, and some of your FILLS. Together they have cured me. I am now as well and sound as anybody. Being in a public place, my case is known to everybody in this community, and excites the wonder of all."

Scald Head, Sore Eyes.
From Harvey Sickler, Esg., the able editor of the Tunckhannock Demecrat, Pennsylvania.
"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lost with them he should tear open the fastering and corrupt wound which covered his mole face. Having tried every thing else we had any hope from, we began giving your SAESAPARILLA, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the secoud. The child's eyelashes, which had come out, grew eggin, and he is now as healtby and fair as any other. The whole neighborhood predicted that the child must dic."

Reading, Pa. 6th May. 1861. J. C. AYER, M. D. Dear Sir: I have a long time been afflicted with an eruption which covered my whole body, and suffered dread-fully with it. I tried the best medical ad-vice in our city without any relief. Indeed, my disease grew worse in spite of all they could do for me. I was finally advised by one of our leading citizens to try your SARSA-PARILLA, and after taking half a bottle only, I found that it had reached my complaint, and my health improved surprisingly. One single bottle completely cared me, and I am now as free from the complaint as any man in the world. Publish this, and let the al-flicted know what you have done for me, and what may be done for their relief.

Yours, with great respect and gratitude, JACOB H HAIN. The above certificate is known by us to be true, and any statement from Mr. Hain entirely reliable.

Compiled from the most approved sources, and adapted to all states and conditions in life,

ELEGANTLY ILLUSTRATED. Publishers' Advertisement:

For years and years we have been asked for a large print Prayer Book, and for one reason or another we delayed getting up one until the present time. The Features which distinguish it from all other Prayer Books are as follows : I. It contains the principal public and private De-

votions used by Calbolies, in very large type. If. The Short Prayers at Mass are illustrated with

thirty-seven new plates, designed and engraved expressly for this book.

III. It contains the Epistles, Gospels, and Collects for all the Sundays and Festivals of the Year, toge-ther with the Offices of Holy Week, in three sizes larger type than they can be found in any other Prayer Book.

IV. The book is illustrated throughout with initial letters and cuts. It is printed on fine paper, from electrotype plates, making it altogether the hand-somest Prayer Book published.

EARVEY BINCH & BRO., Druggists, Reading, Pa. B. W. It has not failed to eame upon her in cold weather, nor has any remodel aid been able to buston its deportura before spring, or at all alleviate her sufferings from it. This season it began in October with its usual violence, and by the advice of my physician I gave her your SAESAPARILLI In a week it and brought the humor out upon her skin worse than I had ever seen it before ; but it soon began to disappear. The itching has ceased, and the hamor is now entirely gone, so that she is com-pletely cured. This remarkable result was undoubtedly produced by your SARSAPARIELA.

Charles P. Gage, Esq., of the widely-known Gage, Murray & Co, manufacturees of euromelled papers in Nashua, N. H., writes to Dr. Ayer :

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable alliction. I tried aimost everything a man could of both advice and medicine, but without any relies whatever, until I took your Sarsaparilla. It immediately made my face worse, as you tool me it migat for a time; but in a few works the new skin began to form under the housans, and continued until my face is as smooth as any body's, and i am wataout any symptoms of the disease that I know of I enjoy perfect health, and with mit a databt owe to your Sarsavarilla "
