A YEAR'S TRIAL. Montreal, 1868. The Montreal Tea Company: GENTS — It is nearly a year since I purchased the first chest of Tea from your house. I have purchased many since, and I am pleased to inform you the Tea has in every case proved most satisfactory, as well as being exceedingly cheap. Yours very truly, F. DENNIE.

Montreal Tea Co: GENTLEMEN — The Tea I purchased of you in March has given great satisfaction, and the flavor of it is very fine. It is very strange, but since I have been drinking your Tea I have been quite free from heartburn, which would always pain me after breakfast. I attribute this to the purity of your Tea, and shall continue a customer. Yours respectfully, FRANCOIS T. GREENE, 54 St. John Street, Montreal.

Montreal, April, 1868. — To the Montreal Tea Company, 6 Hospital Street, Montreal: We notice with pleasure the large amount of Tea that we have forwarded for you to different parts of the Dominion, and we are glad to find your business so rapidly increasing. We presume your teas are giving general satisfaction, as out of the large amount forwarded we have only had occasion to return one box which, we understand, was sent out through a mistake. G. Ayer's Cathartic Pills, For all the purposes of a Laxative Medicine.

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always — that it never fails through any fault or neglect of its composition. We have, and can show, thousands upon thousands of certificates of remarkable cures of the following complaints, but such cures are known in every neighborhood, and why should we publish them? Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity. They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action — remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease. Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure: — For Dyspepsia or Indigestion, Heartburn, Langor and Loss of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action. For Liver Complaints and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action, remove the obstructions which cause it. For Dysentery or Diarrhoea, but one mild dose is generally required. For Rheumatism, Gout, Gravel, Palpitations of the Heart, Dropsy, Dropsy of the Brain, Back and Neck, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear. For Dropsy and Dropsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge. For Suppression a large dose should be taken as it produces the desired effect by sympathy. As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach. An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system, and is known as a reliable protector against them. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus. In such numerous cases where a purgative is required, which we cannot enumerate here, but they suggest themselves to everybody, and where the virtues of this Pill are known, the public no longer doubt what to employ.

Ayer's Cherry Pectoral, For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption. Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among nations of the most civilized, it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a protection against sudden attacks of Croup, it should be kept on hand in every family, and indeed all should be provided with this antidote. It is thought over the world. Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the Cherry Pectoral. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the Cherry Pectoral they subside and disappear. Singers and Public Speakers find great protection from it. Asthma is always relieved and often wholly cured by it. Bronchitis is generally cured by taking the Cherry Pectoral in small and frequent doses. So generally are its virtues known that it is unnecessary to publish the certificates of their here, or do more than assure the public that its qualities are fully maintained. Prepared by DR. J. C. AYER & CO., LOWELL, MASS. HENRY SIMPSON & CO., Montreal, General Agents for Lower Canada.
