BROCKVILLE citizens next month will vote on the question whether they will take over the Light and Power Company's plant. The corporation is offering \$85,000.

A MOVEMENT is under way, headed by P. E. Shantz, of Preston, to form a company for the purpose of manufacturing manila twine at Doon. There is a water-power which could be utilized.

In a fire at Glencoe, Ont., on the 29th ult., the McKellar Block and another store were completely destroyed, the loss being about \$6,000 or \$7,000, partially covered by insurance.

BELLEVILLE, Ont., was a few days ago visited by a fire which destroyed the Dominion elevator, the Street Railway sheds and some cars, and several other buildings. The loss was about \$30,000.

B. A. ROSE was keeping a bake-shop in Douglass, Man. He had been in the business two years when he disposed of his stock in March last. He now assigns. Creditors need not expect a big dividend.

—An extension of fifteen months is asked from the creditors of Vahey & Kerman, dry goods dealers at Grand Forks, B.C.

THE appeal case of Campbell v. Acton Tanning Co. has resulted in a victory for the defendants, and in the reversal of the previous High Court verdict of \$2,000 damages. This was a case in which a woman claimed that her husband's death had resulted from the use of diseased hides in the company's business. The Court of Appeal held that the defendants had not been aware of the diseased condition of the hides.

STEVENSON & JOHNSON kept a general store in Petrolia for nearly four years, and in the first of this year moved their stock to Sarnia. They are said to be both wide-awake young men, capable of taking care of their own interests. Three years ago they claimed to have stock worth \$3,000 or \$4,000, which was paid for. Whether this was correct or not we cannot say, but they now assign.—Another assignment is that of Best & Co., shoe dealers at Walkerton.

THE statement of assets and liabilities of Charles Reid & Co., wholesale milliners in this city, shows that their assets are \$121,780 and that they owe \$82,788. On the latter amount they expect to get a discount of 25 per cent., although there are a few English creditors who think that they should pay more.—An assignment has been made by Louis Lapatin-koff, who opened a grocery store in Toronto nine months ago. Formerly he did business in Valentine, Ont., where he assigned in October, 1896.
