

years the Canadian Delegation, in cooperation with other delegations, has been active in the development of principles to govern DBS. However, no further progress on the completion of these principles was possible at the 1978 sessions of either the Legal Sub-Committee or the parent committee. We would hope that this would not continue to be the case next year.

In conclusion, Mr. Chairman, I should like to state that my delegation will be very pleased to co-sponsor the omnibus resolution on the Peaceful Uses of Outer Space which is to be introduced in this Committee by my distinguished colleague from the Delegation of Austria. With the clear guidance provided by this resolution, progress will be made during the next year and in this collective effort I pledge Canada's full support and cooperation.
