

The Address—Mr. Simmons

domestic activities and developments, our preparedness against aggression and our foreign relations have for many years been magnificent, and have given Canada a standing in the world that no small nation has ever held before.

While all due respect must be given to the ministers and their advisers for this achievement, yet we will agree that the Right Hon. Prime Minister (Mr. St. Laurent) has been one of Canada's greatest benefactors. He has played a successful part in both our international and our domestic affairs, particularly in our interprovincial relations.

While thanking him for giving me the honour of seconding the motion calling for this address to His Excellency the Governor General, I wish to join all other Canadians in paying him a strong and respectful tribute for his great work for Canada.

On motion of Mr. Drew the debate was adjourned.

Mr. Fournier (Hull) moved the adjournment of the house.

Motion agreed to and the house adjourned at 4.55 p.m.
