Dear Sir

I am in receipt of yours of 21<sup>st</sup> inst,  
and feel deeply grateful for the interest you have  
shown in me.

Perhaps later on when business begins to  
improve you may be able to place me?

My case is particularly sad as I am penniless  
and have but few friends, and though I am willing  
to tackle anything, yet I cannot succeed in  
getting any kind of work.

Again thanking you.

Yours truly  
J. O'Donoghue
