MAIL PHONE and CITY orders receive IMMEDIATE ATTENTION. North 7122. **E.T. SANDELL, 525 Yonge Street, Toronto**

**Leagues and Clubs
Call Hockey Annuals**

The Toronto Hockey League will hold the annual meeting in room 8, Central Y.C.A., next Tuesday, at 8 p.m., when all clubs desirous of entering are invited to send representatives. St. David's Hockey Club will hold a reorganization meeting on Tuesday next at 8 o'clock at 78 Bloor street. Will the following players kindly turn out: Wm. Frost, Eric McCutcheon, Dave Adams, Albert Bovine, Chas. Barclay, Tom Carson, Geo. Macdonell, Sam Sedgwick, and any new players wishing to join a good fast team kindly attend this meeting, as there will be a lot of important business to attend to.

HOCKEY NOTES.

A meeting of the Woodbine Hockey Club will be held on Tuesday, Dec. 1, at 8 o'clock at 78 Bloor street, to reorganize for the season of 1914-15, when all last year's players and any new ones desirous of joining are earnestly requested to be present. The Woodbines will likely be represented in the Beaches Hockey League again this winter by intermediate, junior and juvenile teams.

Ottawas will hold their first practice on Monday. Contracts are being sent out to the players. The officials count on Bonede for goal, Merrill for Point and Shore for cover-point.

**FOR BETTERMENT OF
GAME OF HOCKEY**

**Proposed Rule Changes to
Come Up at O.H.A. Annual
Next Saturday.**

The business for the annual convention of the Ontario Hockey Association, which is to be held at the Temple Building, Toronto, on Saturday, December 5, at 9 a.m., includes the discussion of a number of important questions that will doubtless attract a large attendance of delegates.

Mr. J. Ross Robertson, as chairman of the sub-committee, has a list of motions for the betterment of the game, based on the experience of the governing board during the past year. The proposed changes summarized are as follows:

1. To reinforce the student rule so that it covers a player who is absent from home and registered and in actual and regular attendance at lectures at a preparatory school, a high school, a university, or an affiliated college.
2. To appoint an assistant referee in finals and semi-finals, if considered necessary.
3. To limit overtime games to 30 minutes actual play or 30 minutes in all.
4. To change each team with a loss if the game is abandoned before the 90 minutes have been played.
5. To divide the playing time in three 30-minute periods instead of two 30-minute periods.
6. To make this qualification for the outside rule: "A player having taken a pass from a team-mate, who is prevented from skating him outside thru interference, tripping or other foul by opponent, shall not be declared offside."
7. To make it optional for teams in the senior series to drop a man to equalize for one obliged to leave the game for any reason or to insist upon the opposing team submitting a player for the one-chance.

Mr. J. H. Grooms of Avinston desires a change in the residence rule, so that a resident of a "village" shall have the same privilege as a player residing in a rural district or police village, viz., the privilege of playing with the O.H.A. club in the nearest town to his residence. Under the present rules, the "villager" is debarred from playing anywhere except with the village team.

Mr. James T. Sutherland of Kingston proposes to make an addition to the player certificate, showing where they played in 1911, 1912 and 1913 to establish their records; he also submits an amendment to deter from O.H.A. clubs any person who is the owner of, or has a controlling interest in, or is employed in any capacity with, any skating rink. Another amendment by Mr. Sutherland is to allow

**Semi-Finals of
The Bridgen Cup**

The T and D games today are: Bridgen Cup, Semi-finals. Dunlop v. Eatons at Scarborough Beach at 2.20.

Devonians v. Queen's Park at Sunderland ground at 2.45.

Thistles v. Davenport at Leppia avenue at 2 p.m.

St. James v. Robertson at Riverdale Park at 2.45 p.m.

Swansea v. British Imp. at Swansea at 2 p.m.

Tor. St. Railway v. Rangers at Eaton field at 2.30 p.m.

Riverdale P. v. Overcasts at Riverdale Park at 2.45 p.m.

Swansea v. British Imp. at Swansea at 2 p.m.

ne substitutes except in the case of a goal-tender who has been injured.

It is also proposed to make good use of some of the surplus funds of the association. Mr. Francis Nelson proposes a grant of \$1000 to the Canadian Patriotic Fund, and Sheriff P. Pasch of Whitby proposes that the association should be in perpetuity in the Hospital for Sick Children, Grant or Worthy Objects of the Hockey Association Ltd. at a cost of \$2000.

In addition, the hundred and odd clubs of the association will be asked to play matches during Christmas week in the various groups wherever possible, the receipts of which will be donated to the Patriotic Fund.

This is the last day for receiving nominations for the O.H.A. executive, and it appears as if President Charles Farquharson of Stratford would be re-elected by acclamation.

The annual fee for clubs already members of the association is 25 per team, while new clubs are required to pay 25 additional as entrance fee. All clubs desiring to play in the association this coming winter are requested to notify the secretary, W. A. Hewitt, Daily Star office, Toronto, specifying the series in which they are desirous of competing. All applications must be accompanied by membership fee and a list of officers and colors of the club.

The crack Houghton, Michigan, hockey team have invited the Toronto Rowing Club to visit them in their early part of next month. All members of the Rowing Club team are requested to turn out Monday evening, as strict training will be the order from now on till the ice is ready. Those who have signified their intention of turning out are asked to take notice.

George Kennedy has half a dozen hockey contracts in, but is giving them out one at a time. The latest he has announced is that he has been signed up for weeks, and Marcel Bellevue, a Montreal B. player, who was with the Hall's previous last year.

**RADIUM BEARING ORE
IN BRITISH COLUMBIA**

By a Staff Reporter. OTTAWA, Nov. 27.—Three samples of radium-bearing ore from British Columbia have been received at the mines department, but the quantity of radium in them has not yet been determined.

The value of minerals produced in Canada this year will be considerably less than last year, because of the scarcity of coal for mining development and also the low prices for silver and other minerals.

TRANSPORTATION MEN.

Bonds of strong goodfellowship were cemented at Dunsmuir last evening on the occasion of the annual banquet of the Transportation Club of Toronto, and the organization received an impetus which will ensure a year of unusual prosperity. Through the evening business was subordinated to pleasure and the membership, drawn from all the large railway, steamship and transport lines, united in the intention of making the social side predominate in their organization in the future.

The executive officers explained the ambition to provide in some way for the widows and families of members who were removed by death from year to year, and with this in view the fees will be rated in future. New officers were chosen as follows: President, D. J. Wood, of the Allan line; vice-presidents, N. G. Murphy (thos. Marshall), N. J. Taylor; secretary, W. G. Gray; treasurer, Murdoch McDonald.

HORSES GAVE OUT.

Twenty-three of the horses supplied by the city to the militia, are now declared unfit for military service and will be sold to the highest bidder.

HOLD UP GERRARD BRIDGE.

The board of control decided yesterday that, in view of the large amount involved in the transportation bylaws which will be voted on Jan. 1, they would leave over till next year the proposal to construct the Gerrard street bridge at a cost of \$187,000.
