Would You Like More Steam?
And Like To Pay Less For It?

THE PERFECTION HOLLOW BLAST GRATE
is what you want. It has a forced draft like
a blacksmith's forge, and burns anything you
put on it. Wet sawdust, green or frozen chips,
edgings or refuse of any kind, have a fuel
value on this grate equal to dry wood on com-
mon bars. Save the wood, which you can sell
and burn the rubbish you can neither sell nor
give away. You get more steam, and you
save money. Let us tell you what the per-
fection grate can do for you. Write to us
on 30 days trial guaranteed to the limit.
