

charge, and the manner in which they have been occupied, for the two preceding months, specifying the rank and names of the Officers, and the number of the non-commissioned Officers and Privates occupying each room, or quarter, during that period, which report must be countersigned by the officer commanding the Post.

III. A return of the officers, non-commissioned officers and privates, that march into, and out of, barracks, during the period of every two months, specifying the names of the officers, and the day they arrive and leave the post.

IV. Certificates of the Officers of the Staff, who may be stationed at the Post, that are entitled to an allowance of Lodging Money, also Regimental Returns of Lodging Money due to Officers of Regiments, taking care to return such only as are present doing duty, and not quartered in any Barrack, or Government Building; nor are any Officers of Regiments to be returned for Lodging Money, when there are vacant Quarters, suitable to their rank, notwithstanding they may not occupy the same—These Regimental Returns to be made out, according to the Forms and Rates now in use.

Officers to be accommodated in Barracks, according to the Scale No. 2, annexed.

V. The expence incurred for Washing Barrack Bedding, to be made up in accounts in triplicate
