CHIME IN HAMILTON NOT ON THE INCREASE

Nearly 4000 Persons, However, Figure in Prosecution Record -- Statistics of Fires.

total of 2978 persons during the year 1911 became entangled in the legal network constructed for the protection of society in Hamilton, the number mentioned being the arrests made and summonses served by the local police for the year. Altho this was an increase of 1161 over the previous year in the number of offences charged, there was no appreciable increase in crime, the difference in offences being

due to minor intractions of the law. as follows: Burgiary, 6; house and store-breaking, 66; highway robbery, 5; pocket picking, 5; ordinary metts, 318, thefts of Dicycles, 16. Property to one value of \$20,019 was lost or socien wathin the year, and \$1014 of this was recovered by the police. The value of storen property shows a decrease of \$1026 from 1810.

Police Court Record. Of those uniterimates who appeared in police count, rios were acquirted of the charges against them, 226s were fined, 40 went to Central Prison, 14 to the common jail, and 15 were sent to the provincial pententiary. Fortyone of those committed for trial at a
migner court were acquirted, is were
sent to Central Prison, 14 went to fail
direct, one journeyed to Kingston and
13 were let off with nnes. Money
found on prisoners amouned to \$6221.27,
and properly to \$228.23, and properly to \$228.23, and properly to \$228.23, and properly to \$228.23, and properly to \$28.23, and \$28.23, an and property to \$2982.98. Juventies to the number of 144 transgressed the law during the year, six of these being under 10 years of age, 73 between 10

and 15, and 55 between 15 and 20.
Nine Suicides. The central police station sheltered 778 "down-and-out" men, and 26 of the same kind of women during the tweive months. There were 81 sudden deaths months. There were 61 sudden deaths in the city in 1911, 9 of these being due to suicide. The police force as constituted at present consists of a chief, deputy-chief, inspector of detectives, inspector of division, five sergeants, five patrol sergeants, four detectives and 66 constables—84 in all.

According to the chief's report, the seductive game of "fan-tan" continues the worked convigents wented the server of the security wented convigents. its wonted popularity among the Chinese. The report explains that the almond-eyed sons of the Flowery King. dom "do not readily abandon a practice which they consider more of a pastime than a vice."

Liquor Prosecutions. That the inquor laws are pretty well observed in the city is attested by the fact that it was found necessary to prosecute only 23 license holders in 1911. Prosecutions against unlicensed sollers of liquor numbered 31. The social evil was referred to in the chief's report in the statement that houses of all-fame under police surveillance have not increased, and that they are not where objectionable. clause of the report met with Mayor Lee's positive disapproval, and after considerable discussion was struck out, as it was thought that the wording conveyed the impression that such places were countenanced by the com-

missioners.
Two charges of undue familiarity had with two Italian women, which had been land agains sconsitable Bleakley by the husbands of the women, were dis-missed after a full hearing, in which the charges were shown to be without foundation. A petition for 12 per centinereases in salaries to the police department was presented to the commissioner of the most able bankers in Candidates.

Year's Appropriations. The fire, police and jail committee of the control at the street meeting to-night, sed the 1912 appropriations for the various departments under its discretions as follows:

as follows: \$108,875; fire, \$113,870; jall, \$8,

Cause of Fires.

The Chief Ten Eyek's annual report contains some interesting facts and figures relating to the fires which his department was called upon to fight in 1911. Among the things which caused the city's fires last year were the following: Children with matches, caused to manual report to the ex-minister to Colombia, military commander of Guayaquil. 33 fires; firecrackers caused 6; matchheads breaking off were responsible for
a half dozen blazes, and the man who
carelessly throws away the butt of his
clear or cigarete is blamed for 10 fires;
of the sunny south, California or Mexmataneous combustion started 15 38 fires: firecrackers caused 6; match of dncemdiary order

presentation in municipal politics was published in one of the local papers this atternoon. P. M. Corcoran is given as the leader of the movement, which is known as the Catholic Political League.
