

'UP AGAINST A GOOD THING.' (excuse the slang) but it just expresses the truth. Any man who gets our clothing gets the best there is at the price.

If you buy a 12.00 suit from us it is the best suit you can find at that price. You may see suits at 10.00 that may look 'just as good' as our 12.00 suit, but it cannot have the good stuff in it. And you will find suits at 15.00 that are not as good as this 12.00 suit of ours.

We've made a point in this 12.00 suit.

CAN LAURIER HEAL THE SORE? Globe's Article Yesterday Was a Clever Ruse to Bring Things to a Head.

An eminent Canadian constitutional authority, just returned to Toronto, threw light in talking to The World last night on the vexatious delay in despatching the Canadian contingent to the Cape.

He said that the delay was due to the fact that there are three or four fellows in Quebec who are against the scheme on account of the expense of the voyage to the Cape.

What about The Globe's article? "It was clever ruse to bring things to a head, but I think you will find that it will take more than to-morrow's paper to settle the question."

He said that Sir Wilfrid will be able to heal the sore before the election, and that the delay is a ruse to bring things to a head.
