TORONTO LIVE STOCK.

Live stock dealers as a rule do not take holdnys, and yesterday was no exception, there being 12 loads, consisting of 142 catile, 7 horses, 10 calves and 400 hogs reported by Messrs. Fox and Hay of the C. P. R. and G. T. R. delivered in this mar. There was of course little doing, only a sort of cleaning up of odds and ends of what was left over from Thursday's market.

Prices in all classes were reported by the different dealers as a rule do not take What was the meaning of it all. Dr. Wilson's explanation was that the mind or character, the "ego" which is the sum total of our personality and individuality, is composed of several filter "egos". These minor egos, subject to the laws of health, heredity and environment, must vary, and, said Dr. Wilson, this opens up the great question of the day as to individual responsibility.

This case, insisted Dr. Wilson, illustrated how the instability of the normal "ego" may destroy the original and true personality.
