War Tax on Bank Note Circulation . Contribution to Patriotic Fund 852,356 28 32,787,779 81 The assets of the bank have recently been subjected to the usual careful

Your Directors record with deep regret the death of their late colleagues, Mr. Wiley Smith, His Honor Lieutenant-Governor MacKeen, and Mr. T. J. Drummond. Mr. Wiley Smith and Governor MacKeen were the Directors of longest standing, having served continuously on the Board for twenty-eight and twenty-one years, respectively. Mr. Drummond joined the Board in 1909. The vacancies were filled by the appointment of Messrs. M. B. Davis and G.

II. Duggan, of Montreal, and Mr. C. C. Blackader, of Halifax.

On October 5th last we concluded an agreement with the Directors of the Quebec Bank to purchase the assets of that Bank, for a consideration of 9,117 tres of this bank and 3683,775 in cash. This was ratified by the shareholders promise of support from the British Imports—Merchandiseof the Quebec Bank on the 28th of November. The approval of the Governorwas obtained in due course, and the assets were transferred January 2nd. By this purchase we have acquired, on satisfactory terms, assets

In addition to the thirty-five Quebec Bank branches, added to our list, offices were opened during the year as follows: In ONTARIO-Church Street, offices were opened during the state of the Caballeros; in VENEZUELA-Caracas. A sub-branch has been opened at

Fifteen of the Quebec Bank branches were closed when the transfer took ce, and our branches at the following points were closed during the year In ALBERTA—Athabasca, Plairmore, Namayo Ave., Edmonton; in SAS-KATCHEWAN—Luseland; in ONTARIO—Dundas St., Toronto, Gerrard and Main, Toronto; in QUEBEC-Beaumont St., Montreal, Terrebonne. We have also closed the sub-trenches at Bentley, Blackfalds and Peace River, West Alta., and Copetown, Ontario. Sutherland, Sask., Branch has been

changed from an independent branch to a sub-branch. The Head Office and all our branches of the bank have been inspected as

Your Directors desire to express their appreciation of the efficient manner in which the officers of the bank continue to perform their respective duties. All of which is respectfully submitted.

H. S. HOLT, President. E. L. PEASE. Vice-President.

GENERAL MANAGER REVIEWS | the United States. The following is The General Manager, Mr. C. E. Neill, pared with those of twelve months ago

The Balance Sheet before you is the est ever submitted to the shareholders, best ever submitted to the shareholders, and shows striking progress in all departments of the bank's business dur-

Ing the past year.
Total deposits now exceed \$200,000,000, Steel Rails, per the increase for the year being no less than \$45,000,000; 42 per cent of the adstruction than \$45,000,000; 42 per cent of the adstruction to the deposit of the adstruction to the adstruction to the deposit of the adstruction to the adstructi than \$45,000,000; 42 per tent of the same structural Steel, vance-was in the Savings Department. It is a satisfactory feature that these Structural Steel, per ton—bars. Structural Steel,

figures include no large or unusual deosits of a temporary nature. Our note circulation is approximately Structural Steel, \$4,000,000 higher, and exceeds the paid-up capital of the bank by over \$6,000,000.

The excess is covered by a deposit in the Central Gold Reserve.

Current long steam of the Central Gold Reserve.

Current loans show a moderate expansion. In Canada the increase is \$4,931,759, due chiefly to the acquisition wool, per pound, Wool, per pound, of new accounts, and temporary loans o customers producing munitions of Sole Leather, per Commercial loans abroad are higher, on account of the active demand in the West Indies in connection with the production of sugar and other staple wood Puip, per commodities. These loans will decrease

three months.

The liquid position of the bank has been well maintained, liquid assets being 53.24 per cent of liabilities to the multiple are conversed with 40.09 respectively. Abnormally high prices are enriching the producer and manufacturer, but profits are not so large ca mint.

The increase in investments repre- the cost of production.

per cent on the capital, as compared with 16.45 per cent last year; or 3.66 per cent on combined capital and reserve, as compared with 7.90 per cent

lets have increased during the year life-ive million dollars. Seven years sion, because of the greater economic exhaustion of Europe and the effect upon her buying power. We have almost a the stock markets constitution of the constitution of the

Intereping with the fixed policy of the bank the ratio of liquid assets to liabilitie to the public has been maintained at a high percentage. The rate at the close of the year was 53.34 per cent, frainst 49.63 per cent of the public has been maintained at a high percentage. The rate at the close of the year was 53.34 per cent, frainst 49.63 per cent of the public has been maintained at a high percentage. The rate at the close of the year was 53.34 per cent, frainst 49.63 per cent of the public has been maintained at a high percentage. The rate at the close of the year was 53.34 per cent of the public has been maintained at a high percentage. Aftr paying a tribute to the humanitarian role played by the king and referring to the prestige he had thus gained throughout the world, the former premier said:

"On a day more or less distant—and please God that day may be near—the great prestige gained by our king may, for the greater good of humanity, make of him a messenger of peace. Let us have confidence, gentlemen, in the destines of our dear land while expressing wishes for the peace of the world and the prosperity of Spain. May heaven all with a noble and poisonous toxins; thus toxing the entire alimentary canal' before putting more food into the stomach. The action of hot water and limestone putting more food into the stomach. The action of hot water and phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, water and action of hot water and phosphate is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs. The millions of people who are bothered with constipation, billious spells, stomach trouble, rheumatism; where sailey stimes blood are to toxins; thus toxins; thus constipation to taking the previous day's indigestible waste, sour billious day's indigestible waste, sour between the constinct, and poisonous toxins; thus consting the entire alimentary canal' before putting more foed into the stomach. The action of hot water and limestone putting more foed into the stomach. The action of hot water and phosphate is quietly extended to the entire alimentary canal' before putting more foed into the stomach. The action of hot water and prosphate is spellanting to a stomach is stomach, liver, kidneys and bowels the stomach, liver, kidneys and bowels the stomach, liver, kidneys and bowels the stomach. The action of hot water and prosphate i

and the prosperity of Spain. May heaven aid his majesty in his noble and pa-TRADING POST IS BURNED.

PORT ARTHUR, Jan. 15.—Word has been received here that the trading post of Revillion Freres of Longeuille, North of Nipigon, has been destroyed by fire.
