Mrs. Ogilvie Gordon, Secretary International Council, Urges Educational Campaign.

After a round of social gayetles ours of inspection and committee ectings, the delegates to the fourth trennial congress of the National of Women, got down to the usiness of the congress yesterday

students, who were successful in win-Her Excellency, the Countess of Aber. was in the chair and she was arrounded on the platform by Mrs. mays Wright Sewall, honorary vicepresident; Mrs. Gibson, Mrs. Ogilvie
Gordon, honorary corresponding secretary; Mrs. W. E. Sanford, treasurer,
and Frau Stritt, first vice-president.
To-day the council will meet at 10
o'clock and in the afternoon the deleo'clock and in the afternoon the deleorder will be taken on a trip to Ham-May Wright Sewall, honorary vicegates will be taken on a trip to Hamten by Mrs. Sanford.

lon in presenting her report as sec-etary at the meeting of the International Council of Women yesterday af-ternoon. "Many of these women do not know their own place in either the work shop or at home," she continued.

'So we must teach them.' "But we must be careful that we do ot stir up any ill-feeling that might find its outlet in a rebellion, a domestic revoit or a strike. It is obvious tho that we should do something to open that we should do something to open their eyes so that they may be able to help themselves out of their present sad plight. In order to accomplish this important social movement we must be ranks owing to the ranks. ot accomplish his movement, but the ole congress should work together in regiment will conduct regimental

atention to the rising generation. In respect to the suffrage question Mrs. Gordon said, that when Prime Minister Asquith asked for the opinion

of the women recently, he was doing the wisest thing that had ever been done by any member of the cabinet in rights and go out and teach the wonen of the world.

Mrs. Gordon read letters from Egypt, Bussia. Turkey, Argentine and Fin-land during which she made a running comment regarding the contents, which showed her great zeal in the work. France will likely b, the next place of meeting for the quinquennial. Lady Aberdeen, the chairman, asked

the delegates to try and attend the council meeting in Argentine next year.

This council she said was one of the most important in South America and the fully deserved all the encouragement and support that they could age that they could be support that they could be supported by the support that they could be suppo

Mrs. Gordon announced that the election of delegates will not take place until this morning. Tribute to Lady Aberdeen.

At the first meeting of the council, spaces from Holland showed their appresident during the last five all performances. years by presenting her with a beautifully silver finished mahogany gavel.

The presentation was made by the president from the Netherlands, Miss Raelde, who in a neat and humorous speech paid great tribute to Lady Aberdeen, both as their leader and as a woman who had the courage of her

The travelers will attend the meeting a Seattle.

A large number of regrets were read. including a letter from Madame Jules, when he returns from a successful per-Seigfield, the third vice-president, who is the opponent of Lady Aberdeen In the presidential election.

A great deal of controversy was caused when the meeting was asked to pass the minutes of the special meeting held last year in Geneva. This meet-ing was called to revise the constitution. It was supported by all the delegates, but the American, and was

"adopted. One of the contestants withdrew from the election, Mrs. F. Avery of the Uni-ted States, who was nominated for recording secretary. Her withdrawal being accepted, the council elected Dr. Alexander Skugland of Sweden by ac-

Committee on Laws. Important recommendations were made regarding the law reform by the committee on laws in their report.
Their recommendations are: "That the law permit the fathers of

That women be allowed to be guardians of children. "Reform and simplification of mar-

idence of married women and

"That women be allowed to serve on "Wider powers of women in admini-ration of state, civil and reform tri nals, as justices of the peace and ards of commerce." "Votes for women and rights of women to sit as members of parliament."
"That the nationality of married women be decided."

"The age of consent in seduction "The age of consent in securities cases be raised."

Another important affair that was brought before the board was in connection with the Rhodes scholarship for men, permitting study in England and the continent for the colonial male students. The council recommended that this should also apply to women students as well, the on a different as well, tho on a different basis, and that is that they should have a chance with their continental sister

ning the contest.

work done among the women of the vorking class," said Mrs. Oglivie Gor-Werk at the Camp.

NIAGARA-ON-THE-LAKE, June 18. (Special.)—Sunshine and a cool reeze made ordling rather pleasant for the soldiers to-day. The infantry were put thru all kinds of company drill, even to ambush tactics, and in watching them one noticed that there important social movement we must in the ranks owing to the reduced work together, one or two women canstrength. Next week the colonels of each

Look After the Children.

The children, said the speaker, should be given a great deal of attention, and the best of their education when the inspection of Col. English around the age of fourteen, that is the of Quebec were for a great part of working children as that was the the time occupied in gue practice. the age of fourteen, that is the of the coupled in gun practice. the time occupied in gun practice. Fach of these batteries was recently supplied with four new 18 pounders, and shots were fired to-day. Along-side of the old ones, even a "Johnny side of the old ones, even a "Johny side of the old ones, even a "Johnny side of the old ones, even a "Johnny side of the old ones, even a "John side of the old ones, even Raw" recruit could readily see that there was but little recoil to the new there was but little recoil to the new

automatic spring.

About 5 p'clock this afternoon a large detachment of the Army Medilarge detachment of the Almy medical Corps started out on a trek in accordance with the orders of Director-General Lieut.-Col. Jones, and under command of Lieut.-Col. Fothering-der command of Lieut.-Col. Fotheringder command of Lieut.-Col. Fotheringham. This trek is the first in the history of the camp, and is Col. Jones
