Mr Matt Greig's Concert.

As was anticipated, Mr. Matt Greig's concert at Broadway Hall on Tuesday, was a big success. The large audience was delighted with the highclass entertainment provided. Among the artists were "The Gore Vale Sextet," a clever combination of instru-mentalists; Mr. Robt. Kenney, the well-known tenor, who sang "Mary of Argyle," and responded to an en-core with "My Heart is Thine." Mr. Matt Greig achieved great success with "Bertie in Love," and responded to an enthusiastic encore with "Ha, Ha, Ha," which he gave in his own inimitable style. The hit of the evening was a dramatic monolog by inimitable style. You may not have thought of giving a name to the unpleasant symptoms that affect your throat, nasal passages or your bronchial tubes. tarrh, as you know, poisons the whole system. Science at last has discovered a remedy that is breathed into the lungs, fills them and the nasal passages with a healing, curative vapor. It is Catarrhozone. But Catarrhozone does more than this, it exterminates the germs that excite these dreadful conditions of disease. It is plain, then, that Catarrhozone reaches down to the very root of diseased conditions, destroys the germs, then enables its healing remedial properties to remove the ravages of disease, and to make the tissues natural and strong, Catarrhozone is very fragrant. It has the additional merit of being free from any ill-effects.
