## THE OTTAWA ICE RACES GREAT LOT OF ENTRIES

Free-for-All Stars, Including Day Spring, Expected to Perform—Opening Tomorrow.

OTTAWA, Jan. 25.—The incoming of Yedna and Grand Opera, featured the arrivals yesterday of harness horses for the Hull Driving Club meet, which opens on the Ottawa River track on Thursday and promises to be the greatest in the history of the ice-racing game. With the arrival of Nat Ray, the well-known Toronto horseman, close on to one hundred of the best harness horses in the Dominion and United States will be sheltered in the capital.  
The record-breaking list of entries for the meeting has caused a great revival of interest in harness racing, and the general opinion is that the Hull club will furnish the greatest ice meet in history. Already eighty-three of the entries have become a certainty and represent stables from Kentucky to Edmonton, and eastward to the Atlantic seaboard in Canada and the United States.  
The stake events, for which purses aggregating \$25,000 have been hung up, will be well staged, and the free-for-all race will bring together the greatest collection of harness speed kings ever assembled.  
Among the horses that will go to the rink in this event are: Yedna, Grand Opera, Texas Jim, Pay Richmond, Bel Direct and possibly Paddy R., who, at Dufferin Park, stepped the fastest mile of the meet, covering the distance in 2:11 1/2.  
A cold snap, following a soft spell, has put the river track in perfect condition, and upwards of twenty-five horses worked out on it today. Many horsemen are arriving in the city.  
It is practically certain that Day Spring, the brown stallion owned by W. Parks, Belleville, who broke the world's record at Montreal on Friday, will also come to the Ottawa meet. Lay Spring's record mark was 2:10 1/2, done in the second heat of the 230 pace. Day

## Proposed New Building on Mutual Street to House the Mail Order Department

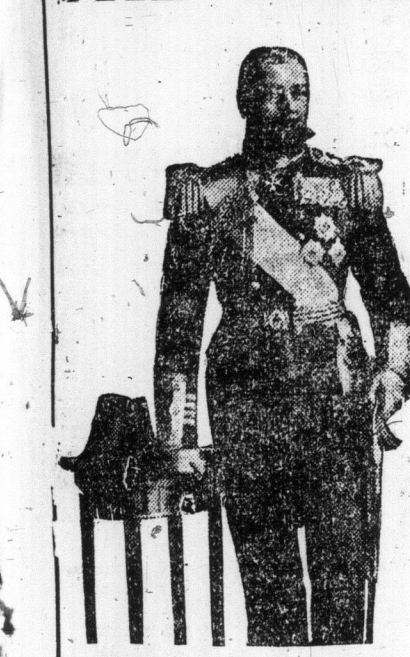

The out-of-town Customers of the Robert Simpson Company have become a great army, numbering hundreds of thousands, and this is their New Headquarters. For the last two years their orders have been filled quite apart from those of the Toronto public and a separate stock has been carried for them. Any day when you see the great store on the corner of Yonge and Queen Streets with its crowds of shoppers you may be sure there is a similar invisible multitude, whose homes are spread over our broad land from the Atlantic to the Pacific—busy shopping by mail. Since the inauguration of Simpson's One-day-service the speed and accuracy with which these invisible customers are served has necessitated a wonderfully complete organization and equipment. During the past year this has proved entirely too small. The Company has therefore decided to build these new premises and the work will begin at once with a view to having the building ready for next Fall's business.  
The accompanying cut shows the general style of proposed building, which will be eleven storeys high, with a floor space of between nine and ten acres. The building will be thoroughly fireproof throughout, and will likely be built of reinforced concrete.  
The general contractors are Wells Bros. Company of Canada, Limited. Messrs. Burke, Horwood and White have been appointed consulting architects. The contracts for the several trades interested will be undertaken by local firms.
