## PREFACE.

This edition of the Counties of Kent and Essex Gazetteer and Directory is respectfully presented to the public, with a sincere hope that it will meet with favor at its hands, and that the compiler will receive that consideration due to an earnest wish on his part to make the book as reliable as possible. Information has to be obtained from so many different sources that errors will unavoidably creep in, and whenever such may be found, it is to be hoped the public will generously overlook them.

The publisher desires to present his acknowledgements to the members of the Press in the counties, the County Clerks, and many other gentlemen, for the kindnesses experienced at their hands, both by himself and agents.

To the advertisers and subscribers especial gratitude is due for the very liberal support given by them to the enterprise from the commencement.
