SUCCESSOR TO SIR SWETTENHAM

KINGSTON, Ja., May 17-The steamer Port Kingston arrived here yesterday from England with Sydney Olivier, the new governor of Jamaica, on board.

There was a great gathering of officials and the populace at the wharf to welcome the new administrator, and he was received on landing by a guard of honor from the West Indian Regiment.

Mr. Olivier went at once to the government office, where the commanding officer of the forces administered the oath of office.

A BOSTON '08 CLUB FORMED

Knights of Pythias Booming the Biennial Session in the Hub.

At a largely attended and very successful mass meeting of the members of the three local lodges of Knights of Pythias held last evening in Castle Hall, Germain street, it was unanimously decided to form the St. John, N. B., Knights of Pythias Boston '08 Club.

W. E. Hopper was elected chairman, pro tem., and F. A. Kinneer acted as secretary. A draft of a constitution for the club was submitted by a committee and adopted.

The meeting at Boston in August, 1908, is expected to be one of the largest Pythian gatherings ever held.

The Boston knights are already making their plans for the big event, and circular letters are being sent to the various Pythian domains, giving a partial programme of what it is intended to provide for the entertainment of the visitors.

According to reports received here from outside points the knights all over the maritime provinces are making preparations to attend the big gathering.

The schooner may BE TOTAL LOSS

The Ellen M. Mitchell From St. John to New York Ashore Near Jonesport, Me.,

JONESPORT, May 17-The schooner Ellen M. Mitchell went ashore early yesterday on St. John's ledge, near Wharf Island station and about three miles from this port.

The schooner was bound from St. John to New York with lumber. The cause of the accident was not known on shore as the crew of six men remained by the vessel in an effort to save her.

The Ellen M. Mitchell was built at Machiasport in 1875, and is owned by E. L. White of Machias. She is 37 1/2 tons gross, 12 1/2 feet long, 33 feet beam and 12 1/2 feet deep.
