

## R. K. BRACE.

The FAMILY GROCERY established some time ago by the gentleman whose name heads this notice, has, in a comparatively short period, become very popular. This, in some measure, is due, no doubt, not merely to the genuine character of his goods, but to the courtesy and attention which he manifests towards his patrons. The experience of Mr. Brace has been considerable, extending over many years, seven of which were spent in the establishment of the present respected Mayor of the city, so that his business habits are well formed, and, with ordinary industry, cannot fail to lead to ultimate success. In addition to a well-selected stock of Groceries and Provisions, he keeps in stock an assortment of house findings, including Knives, Forks, tea and table Spoons, Looking Glasses, and a host of other goods required for family use. Mr. Brace is Agent for Hyde's celebrated Cheese, well known throughout the Island for its delicious flavor. Read advertisement on page 69, and remember address, Queen Square, opposite Market House.

## A. N. LARGE.

There being quite an extensive demand for aerated waters in this Province we find this business house, which is situated on the corner of Queen and Kent streets, doing a thriving trade in that line. Mr. Large not only supplies dealers with the beverages of his own manufacture, but is also an importer and dealer in family groceries, fruits and provisions generally, and he is prepared to fill any orders with which he may be favored on the most reasonable terms. See his advertisement on page 113.

## Hardware.

## SIMON W. CRABBE.

Among the enterprising merchants of Charlottetown Mr. S. W. Crabbe has occupied a prominent position for many years. His salesrooms and warehouse, at 109 Queen street (the sign of the stove), constitute quite an extensive establishment. Here the purchaser will find a great variety of hall, parlor and cooking stoves. His imports are made direct from the most celebrated manufacturers, and at all times goods are offered at such figures as cannot fail to meet the expectations of even the most economical. Mr. Crabbe
