## The Man Who Thinks

Thomas W. Lawson says that "success in finance comes to  
the man who thinks clearly and acts quickly. The doubting-  
hesitating-man is sure to be swamped."It's the same in real estate investing—the man who waits  
to see prices go up and things happen before buying—always  
pays the top price.But the bright, alert man who thinks and sees for himself  
—and takes advantage of what he sees and hears—he does it  
quickly and wins.You know—I know—anybody knows—who thinks—that  
you can't lose a penny by taking advantage of these war time  
prices and "get in" on our "Hatheway Partners" proposition.Call, write or phone and let us explain this wonderful  
proposition.

Act at once before you are too late.
