26TH MAY BE ON THE FIRING LINE
 Member of 25th Battalion, in Same Brigade, Officially Reported Wounded

The report in last night's casualty list that Michael Gardner of Sydney, N. S., a member of the 25th Battalion, had been wounded, may indicate that the 25th Battalion, which is in the same brigade, may be under fire. Harry J. Harrison of Halifax, 6th M. R., is reported ill.
 Sergeant Thomas W. Carter, of Woodstock, who was a member of the 24th Battalion, of Field Artillery, is reported to have been killed in action.
 Lieutenant E. Mooney, who left here taking a course in aviation and preparing to enter the aerial service in the army.
 News was received yesterday by Miss Ethel McNeill, St. James street, how her brother, Gunner George McNeill fell. He was killed in action on June 9, while in the 18th Battalion. He had enlisted in Moncton in the 18th. Field battery at Penubert, just beyond the old German first line trench. He was buried just in front of the parapet and a sepulchre erected at the time. The sergeant-major, who was in charge of the burial party states, however, that in passing the spot next day all trace of the grave was obliterated owing to the parapet being knocked down on top of the crosses by a German shell.

 Finally Restored To Health By Lydia E. Pinkham's Vegetable Compound.
 Bellevue, Ohio.—"I was in a terrible state before I took Lydia E. Pinkham's Vegetable Compound. My back ached, I was very weak, and I had pains all over me, nervous feelings and periodic troubles. I was losing hope of ever being well and strong. After taking Lydia E. Pinkham's Vegetable Compound I improved rapidly and today am a well woman. I cannot tell you how happy I feel and I cannot say too much for your Compound. Would not be without it in the house if it cost three times the amount."—Mrs. CHAR. CHAPMAN, R. F. D. No. 7, Bellevue, Ohio.

When so affected such women may rely upon Lydia E. Pinkham's Vegetable Compound, a remedy that has been wonderfully successful in restoring health to suffering women.
 If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

Pretty, Wavy, Curling Hair Without Hot Iron
 Let me tell you of a simple method which is a favorite of the belles of a certain exclusive society. It is so simple that you know of it, because it will give your hair such a pretty curl and set and permit you to do away with the ruinous waving iron. Just get from any drug store a few ounces of ordinary liquid hair oil. Rub it over your hair in the morning and you will have a real surprise, the fascinating, wavy effect will appear so natural, and there will be no greasy, gummy, sticky or other unpleasant trace of this hair oil.
 You can exercise for hours in the gymnasium, dance all evening in a heated ball room or take a long motor trip, without fear of your hair losing its curl—indeed, for a considerable time—Mona Morrow in The Clubwoman.

HOW FAT FOLKS MAY BECOME SLIM
 BE MODERATE IN YOUR DIET, BREATHE DEEPLY, AND TAKE A LITTLE OIL OF ORLEANE.
 Fat persons, particularly those from 10 to 30 pounds above normal weight, will be interested to learn that they can easily reduce their weight without starvation diet or tiresome exercise. This can best be done by breathing deeply and by taking a few drops of oil of orleane four times a day.
 Oil of orleane may be obtained from any good druggist in capsule form (five drops to the capsule). Take one capsule after each meal and one before retiring at night. They cost little, are absolutely harmless, are pleasant to take and are designed to reduce fatty accumulations in the system wherever located. Even a few days treatment should show a noticeable reduction in weight; your footsteps should become lighter, your work seem easier, and a lighter and more buoyant feeling take possession of your whole being.
 Every person who is ten or fifteen pounds over normal weight should surely give this treatment a trial. You will probably find that it is just what you need.
 Any druggist can supply you or a large box will be sent on receipt of \$1.00. Address D. J. Little Drug Co., Box 1249, Montreal, Can.

Valuable Discovery in Complexion Beautifier
 Because of its peculiar power of absorption, also because it serves every end in view, ordinary mercurized wash is perhaps the most valuable complexion beautifier discovered within recent years. If one uses this also needs no toilet cream. Some use powder afterward, but this is not necessary. The rule for applying mercurized wash has been found very satisfactory. Wash the face with warm water, drying lightly. Then very thoroughly, against the face with the wash, but don't rub it in. The favorite way is to use before retiring, allowing it to remain on all night and washing it off in the morning with warm water. All druggists have this wash in original one-ounce packages.
 For the removal of a wrinkled or flabby condition there's nothing better than to bathe the face in a solution made by dissolving 1 ounce powdered salolite in 2 pint witch hazel. Beneficial results are quickly noticeable.

INDIAN CHIEFS MEET IN COUNCIL OF TRIBES
 They Desire That Liquor be Forever Banned From Reservations—Want More Self-government
 Deseronto, Oct. 2.—The thirtieth annual meeting of the Indian chiefs of the Six Nations is being held at Deseronto, Ont. The chief of the reservation here, the chief of the Six Nations, and the chief of the Six Nations, are the only ones of the Six Nations to be present. They met at the station and accompanied to the council house by half-mile long procession headed by boys in full uniform. The afternoon session was filled with speeches of welcome and by private sessions. This convention is for the purpose of uniting the tribes into a more organized council than has been before, and to air some of their grievances. The big chief is here he tells us, to straighten out some of the crooked tangles of the people, and to let the people of Canada know that the Indians are able to take care of themselves, to govern themselves, to a certain extent.
 They want the government at Ottawa to see that all Indian children are educated to as far as at least as the high school entrance, on a par with the white folks. They want schools established plentifully on every reservation for this purpose. They want the government at Ottawa to listen to the chief's words, and Canada to know that the administration of affairs is not carried on in a manner right and just to them. They want liquor forever banned from their reservations. They say that the Indian agent has no right to sit in their council or to dictate to their chiefs or councilors.
