# McAvity's First Sale

## 92<sup>nd</sup> Anniversary

TODAY the World-wide Hardware House of T. McAvity & Sons, Ltd., celebrates its ninety-second anniversary with the First Sale in its History. Back in May, 1834, was founded in Saint John the Retail and Wholesale Hardware Business that has expanded into extensive manufacturing and reached across Canada and two oceans—giving employment to thousands of Saint John citizens and providing great contributions to the City Treasury.

The many McAvity Institutions unite in thanking the citizens for loyal patronage—and here is presented an effort in return—a Price-Cutting Festival throughout the Retail Store for Ten days. The First Sale in Our History—on qualities of the Safe McAvity Standard. Keep this page and Shop Wisely and Economically. Find throughout the store ten times as many attractions as appear here.
