

FRIDAY HOODOO PROVES DEADLY TO N. Y. GIANTS

Team Suffers Defeat
That Day for Eight
Straight Weeks

NEW YORK, June 19.—Rain, snow, earthquakes or any other imaginable disturbance, sufficient to postpone a baseball game on Friday, will be welcomed in the future by the New York Giants. And the Friday does not have to be the thirteenth day of the month. The Giants' brief winning streak was halted yesterday by the Pirates, 8 to 3. For eight successive Fridays the Giants have lost and they may petition for a change in the calendar another season. John McGraw sent 10 players into the contest, but only Young and Tyson were able to solve Senger to any extent.

Cincinnati retained its lead in the National by outslugging Philadelphia for a 13 to 5 victory. The Phillies moundmen issued 10 passes, which gave the Reds material aid. Nixon of the Phillies sent forth two useless homers.

By topping Brooklyn 6 to 2, the Cubs gained undisputed possession of fourth place.

COBB IS BENCHED

Manager Cobb, of Detroit, was expelled for objecting to a decision during an inning in which the Mackmen scored ten runs, winning the game 12 to 3. Every member of the Philadelphia team scored in the sixth.

Sixteen hits, four of them by Cobb and three by Koenig, supported Pennock in his 10 to 2 conquest of the White Sox. Collins, of the Yanks, hit a homer.

Cleveland registered its second straight over the Red Sox 6 to 2. The leading good support throughout. Sewell of the Indians hit safely in four of his five times at bat.

The Senators came through to a victory at last, beating St. Louis in ten innings, 4 to 8.

MANAGER RESIGNS

McADAM JUNCTION, June 18.—J. F. McNeil has handed in his resignation as manager of the McAdam baseball team. The McAdam baseball team, under the leadership of Mr. McNeil, has been a winning team, losing but five games in three years and winning 14.

McNamara was the victorious pitcher, the game ending with the score 9 to 6. The string of victories establishes a new American Association record. The record for the major leagues, 26 straight, is held by the New York Giants.

GAS HEAT is more easily regulated

You can cook slowly over a low fire more easily on a gas range than on any other kind of stove. There's no danger of turning the wick too low—bothersome wicks don't exist in the gas range. There's no waiting for the fire to die down—just turn the cock and the fire is low. Then if you want to speed up cooking, the turn of the cock each fraction of an inch gives you another degree of heat. Especially in cooking, "You can do it better with Gas."
