

U. N. B. PREPARING FOR DAL. CONTEST

Saturday's Game at Capital Expected to be Hard-fought One

FREDERICTON, N. B., Nov. 4.—In spite of talk about the MacTier cup challenge and McMurtry cup game, the Rugby squad of the University of New Brunswick has adopted the motto of "one thing at a time" and is bending all its energies to preparation for the game with Dalhousie University here on Saturday next.

EUROPEAN BOXERS INVADE AMERICA

Threaten to Take Place of South America in Ring Activities

NEW YORK, Nov. 4.—Pierre Wertheimer, of Paris, promoter of European boxing, which has been the best seen in Fredericton in many years. The visiting team comes as leaders of the Halifax City League, and the U. N. B. will take the field as Western Intercollegiate League champions.

According to the French sportsman, it is his ambition to breed a son or daughter of Epinard that will be good enough to come to the United States and win in the best of company.

"I miss Major Belmont very much," said Mr. Wertheimer. "He was the finest type of sportsman and made my stay here last year one that always will be a cherished recollection."

"I realize that we made some mistakes on that occasion, but it is human to do that. The Laurel race was a mistake and, as a matter of fact, so was the race at Latona, for Epinard had begun to show his trouble before the event. Perhaps some time I shall have something that can carry my colors to the front in this country."

"We have 14 prospective foals by Epinard, who was permitted to serve 22 mares last season. His book will be confined to 40 mares next year and some of the best mares in France and England will be bred to him."

POPPY DAY PRICES

There has been some questioning as to the price of the poppies sold on Poppy Day and members of the local branches of the G. W. V. A. were yesterday asked to give a definite statement in this regard. They said that all of the poppies that will be sold here under the auspices of the G. W. V. A. come from the Veterans shops, which are conducted by the D. S. C. R. far from disheartened.

HOWARD VS. PRINCETON

NEW YORK, Nov. 5.—The Harvard football team leaves for Princeton tonight ready to grapple with the Tiger on Saturday. Harvard's football season begins with the Princeton battle, to all intents and purposes. Reverses in the earlier games, although undesirable, become only a part of the gradual development of a crimson gridiron machine. And so also with Princeton, which despite its defeat at the hands of Colgate and a tie with the Navy, is far from disheartened.
